

DOMUS NOVA

Can Aspen, Santa Gertrudis

For 10 guests

A five-bedroom villa to rent with traditional Ibicencan character. Drink in vistas of pine-dotted valleys from the private pool.

All whitewashed interiors with rustic accents, this recently renovated five-bedroom villa effortlessly complements architectural lines with organic materials. Minimalist design lets carefully curated furnishings embrace and elevate the open-plan living spaces while picture windows and sliding doors let the Ibicencan sun wash across polished tile floors.

The tiered reception room and dining area is thoughtfully divided where discrete steps and a built-in sofa doubles as a natural divide between the two spaces. Seating in the lounge is arranged around the postcard-worthy views that stretch towards the rolling mountains – an L-shaped sofa and window seats make the most of the vast picture window.

From the formal dining space, a door leads on to a stone-paved terrace, where the backdrop adds a sense of awe to convivial al-fresco meals. In the kitchen, wooden joinery creates a rustic feel to the immaculate kitchen and a sliding door leads to a more intimate terrace.

The five bedrooms – four en suite – are laid-back and stylish; brilliant whites brought down to earth with rattan, jute and bamboo. Clever storage and atmospheric lighting. In the master, a free-standing bath is angled towards the sliding doors, where a private balcony offers a different perspective on the undulating valleys below. A small annex can be used as an additional bedroom for younger children.

Outside, a curved swimming pool, sun-soaked terrace and a cabana-style relaxation space.
