

DOMUS NOVA

Can Mayans, Santa Gertrudis
For 12 guests

Laid-back luxury. A six-bedroom home marrying modern perks with island charm. Santa Gertrudis is on your doorstep.

Conceived by local architect and design studio Blakstad, this five-bedroom finca gazes south towards Formentera. Perfect for sunny days and magnificent sunsets. A modern-rustic aesthetic pairs elemental Ibicencan textures – Sabina wood, terracotta tiles, wicker – with designer furnishings and bespoke woodwork. The result? An authentic, elevated retreat.

The open-plan living room was designed for getting together, with long, sinkable sofas and a dining area that joins up with an airy, fully-equipped, designer kitchen. Explore multiple terraces to follow the sun (or shade) – all you have to do is decide whether you want to be relaxing on a day bed, breathing in the scent of nearby citrus trees, or dipping between the saltwater infinity pool and pergola. The rooftop is prime territory for stargazing.

Relax on a day bed, breathe in the scent of nearby citrus trees, or dip between the saltwater infinity pool and pergola.

All six bedrooms enjoy en-suite bathrooms, Bluetooth speakers and flatscreen TVs – though you may be distracted by those countryside vistas. Especially in the two biggest rooms, where floor-to-ceiling doors open to postcard-worthy terraces. A large, walk-in dressing room and next-level bathroom make the master suite among the island’s best.

A discreet, dedicated house manager and daily cleaner work hard behind the scenes so you can get on with enjoying your time at Can Mayans. Laundry, grocery shopping, a private chef and wellness therapies are among the extra services available by request.
