

DOMUS NOVA

Casa Arizona, South West

For 14 guests

Uninterrupted sea views and direct beach access await at this secluded seven-bedroom villa in Es Cubells.

You can't get much closer to the ocean than at Casa Arizona. Set right on the frontline just above the water, enjoy the panorama from above or take the steps down to the private beach, where boats can be moored at the villa's buoy.

With the sea on the horizon and a rocky cliff face in the background, 360-degree views prevail here. Enjoy them from the 20-metre-long pool or stretched out on a sun lounger on the deck.

Some of the best seats in the house are up on the covered first floor dining terrace, complete with a barbecue, 14-seater table and sofas to take in the scenery. At ground-floor level, another terrace wraps around the periphery of the villa and plays host to various dining and seating areas that blur the boundaries between inside and out.

Designed for entertaining, internal living spaces flow between a contemporary kitchen with breakfast bar and rattan finishes through to a separate dining room. Bold soft furnishings and statement armchairs add personality to the neutral backdrop in the reception room. Open the doors to the garden or settle down for a movie marathon in the cosy TV corner – take your pick between Netflix, Amazon and Apple TV.

Bedrooms are arranged between the ground and first floors. The principal suite features exquisite linens and a rattan double bed. A freestanding bath adds to the sense of luxury in the spacious en suite bathroom, together with stone sinks and a rainfall shower. Wake up to the sight of the sea from the terrace just outside. Six additional bedrooms all share the same attention to detail – with bright soft furnishes and colourfully tiled en suites, and access to either the upstairs terrace or the pool.

Fitness enthusiasts will appreciate the gym, with its Peloton running machine and bike, plus an extensive set of weights.
