

DOMUS NOVA

Can Alegre, Central Ibiza – For 12 guests

In partnership with **BARNES**
INTERNATIONAL REALTY

Tucked away in Ibiza's lush heartland, seven acres of private forest envelop this six-bedroom finca for rent. Space, serenity and family-focused living. These are the defining features at Can Alegre – a considered finca with a laid-back approach to island life. In contrast to its classic architecture, interiors here are contemporary and eclectic; an invitation to unwind or entertain.

Conceived with outdoor living in mind, multiple terraces embrace alfresco affairs. Glass doors lead out to a wraparound terrace – a setting to seek respite from the rays or gather and dine. From here, ascend steps to the saltwater swimming pool complete with sun loungers and shaded nooks. A rooftop terrace provides panoramic forest views, or take to the large grassed garden for football or badminton. Inside, a log-burner draws warmth to the bright reception room. Abstract artwork and eclectic furnishings elevate this space, while a sleek dining spot flows seamlessly into the fully equipped kitchen.

Each of the six bedrooms offers rest and relaxation, three featuring en-suite bathrooms to ensure privacy and comfort. The principal suite opens onto a private terrace, offering a secluded spot to enjoy morning coffee or evening sunsets. Ensuring a seamless experience, the villa also benefits from the services of a dedicated housekeeper, who can arrange cooking, shopping and babysitting as required.

Who — we are

Forward-thinkers in property, design and culture, we're an estate agency that hits refresh.

Domus Nova was born out of a desire to do things differently; to break the traditional agency model and focus on design-led homes in London and Ibiza, all while delivering the highest levels of personal service.

Our story starts in the nineties when we founded Notting Hill's first boutique agency – and we continue to open the doors to the most remarkable spaces, revealing them to our like-minded community.

We want to help you live better – and believe considered design can do that. That's why we remain committed to building on our legacy, in collaboration with BARNES International, an established agency with a market-leading presence in 22 countries.

Uniting our local insight and curated portfolio with BARNES International's expansive reach, we can facilitate the best opportunities in not only London and Ibiza, but also across Europe, the US and further afield – whether that's a château in the South of France, a penthouse in New York, or a chalet in the Swiss Alps.
