Can Solara, Central Ibiza

For 10 guests

Set between the vibrant villages of Santa Gertrudis and Santa Eulalia, this five-bedroom Blakstad villa for rent is a masterclass in island living. Designed to be in constant dialogue with the Ibiza sun, Can Solara comes with light-infused interiors from dawn to dusk. Designed by Blakstad Ibiza in collaboration with KT Design, thoughtful details set the stage for an island getaway like no other.

Beyond rustic wooden doors, a symphony of tone and texture plays out across a vast open living space. A home that's sensitive to its setting, interiors draw inspiration from the natural world. To one side, a Sebastian Cox kitchen by deVOL pairs deep blue cabinetry with Ibiza stone counters. Here, surroundings become one with the design — a picture window framing distant views of Santa Eulalia church. Opposite, an arched passage leads to a reception room drenched in afternoon sun. Crittall-style doors beckon towards the terrace, while an open fireplace transforms the space when evening falls.

In the dining area, a minimalist table takes centre stage. Extend the evening outdoors on the sheltered terrace, complete with an alfresco kitchen and Broil King barbecue. Flanking tiered day beds, stone steps descend from here to a scenic oasis. Towering palm trees sway overhead, offering dappled shade around a 70m<sup>2</sup> saltwater pool, indulgently designed with Bert & May marble tiles. Encircled by a manicured lawn, this space is set up for sun-soaking. For respite from the rays, head to the Balinese pergola or explore the thriving fruit and vegetable garden.

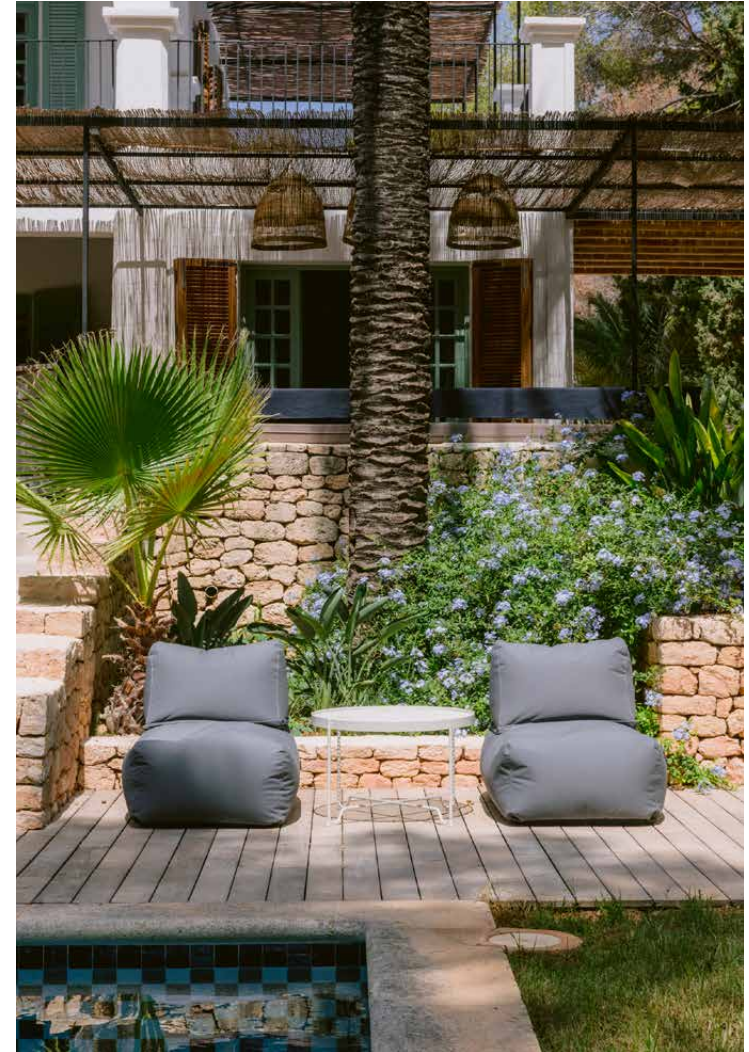

Upstairs, two principal bedroom suites are equal parts calming and captivating. Muted earthy tones and soft Pooky lighting contribute a tranquil feel, while a shared terrace makes for a secluded spot to unwind. One further bedroom suite sits on the floor below, while a privately accessed annex – complete with a kitchenette and bathroom – offers a versatile option for guests seeking privacy. Set within the grounds, a fifth bedroom hides in a separate pavilion, where pale pink tones in the en suite bathroom lend a playful touch.
