DOMUS NOVA

Can Tarida, South West Ibiza €3,950,000

Set on Ibiza's western coastline, tranquility abounds at Can Tarida with its stylish contemporary interiors, walkable distance to the beach and outstanding sunset views.

Surrounded by greenery and with sunset sea views, it's easy to settle into a Mediterranean mindset at Can Tarida – a three-bedroom home with potential to add a fourth. Connectivity to the outdoors was the organising principle behind its recent construction: vast panels of glazing that open out to the grounds; an interior scheme crafted with natural materials; and an enviable walking distance to the white sands of Cala Tarida.

Can Tarida's whitewashed exterior is bold against the rustic bordering trees, with a bi-folding wooden door that reveals an open-plan living area. The contemporary kitchen is centred by a marble-topped island and squared display shelving echoes the villa's cubic architecture. There's a cosy feel, courtesy of a fireplace and exposed brick wall, while large picture windows flood the space with natural light. Slide back the glazing to reveal the outdoor lounge and dining area, with a set of steps that leads down to the 60m^2 azure pool. Once you've spent the day at the beach, return home to admire the western sunset views.

The three bedroom suites maintain the home's calming atmosphere, with pale walls, stone floors and soft curtains that frame large windows. From the principal bedroom, there's a dedicated dressing room with rows of fitted rattan wardrobes, plus an en suite containing a contemporary freestanding tub and dual vanity. In all three en suite bathrooms, olive-green tiling backdrops the meditative rainfall showers.
