Villa Infinidad, Roca Llisca

€5.900.000

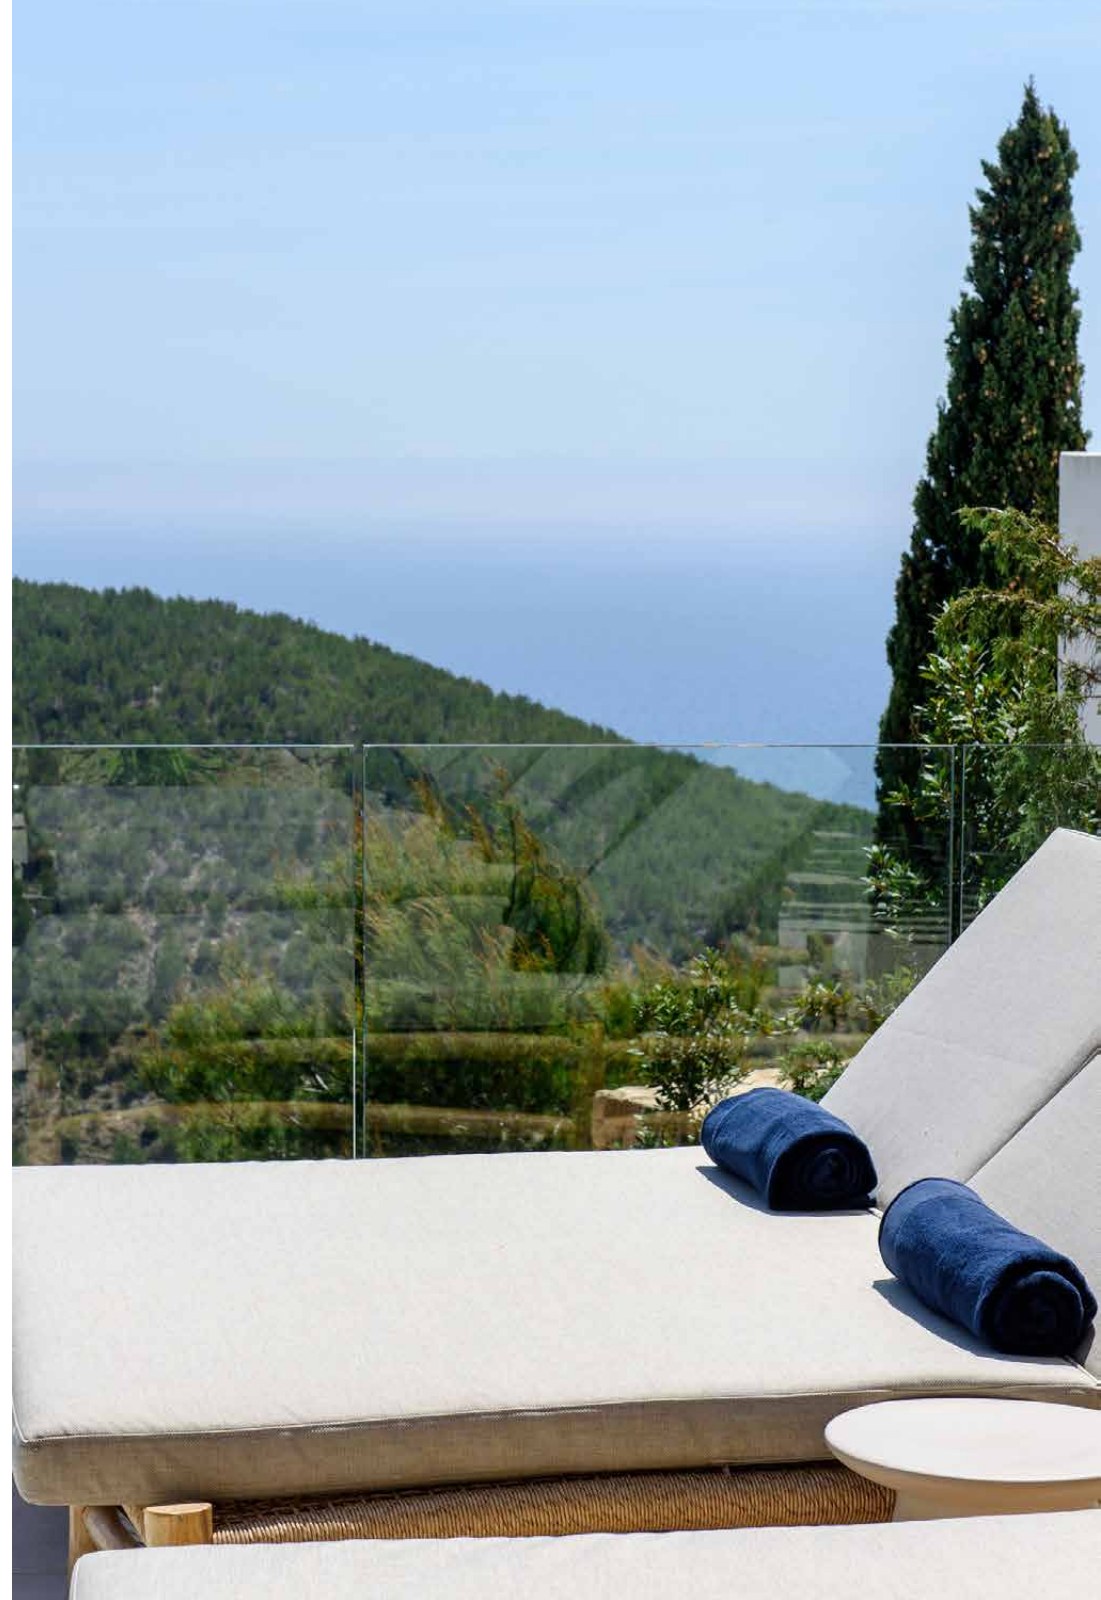

In the exclusive hills of Roca Llisa, this five-bedroom villa pairs bold modern architecture with island serenity and sweeping views out to the Mediterranean Sea.

Framed by sea views and sculpted into the Ibicencan hillside, this five-bedroom home blurs the boundary between indoors and out. Positioned in the elite Roca Llisa complex, Villa Infinidad is all clean lines and expansive glazing, while an infinity pool and curated social spaces invite slow living under the sun. Plus, its tourist license makes the property a fantastic investment for rental opportunities.

Beyond a secure electric gate, Villa Infinidad's whitewashed cubic architecture seamlessly extends out from the rugged landscape. Inside, the spacious reception room is all whitewashed tones, glossy floors and full-height windows that offer expansive ocean views. The kitchen pairs form with function, containing rows of minimalist cabinetry and hi-tech appliances. Next door, the dining area has an elevated feel with globe-like rattan lights and a floor-to-ceiling glass wall. With a Sonos sound system engineered throughout, it's a fantastic space for hosting.

“ A voluminous reception room forms the social centrepiece, crowned by a soaring domed ceiling layered with ornate lanterns.

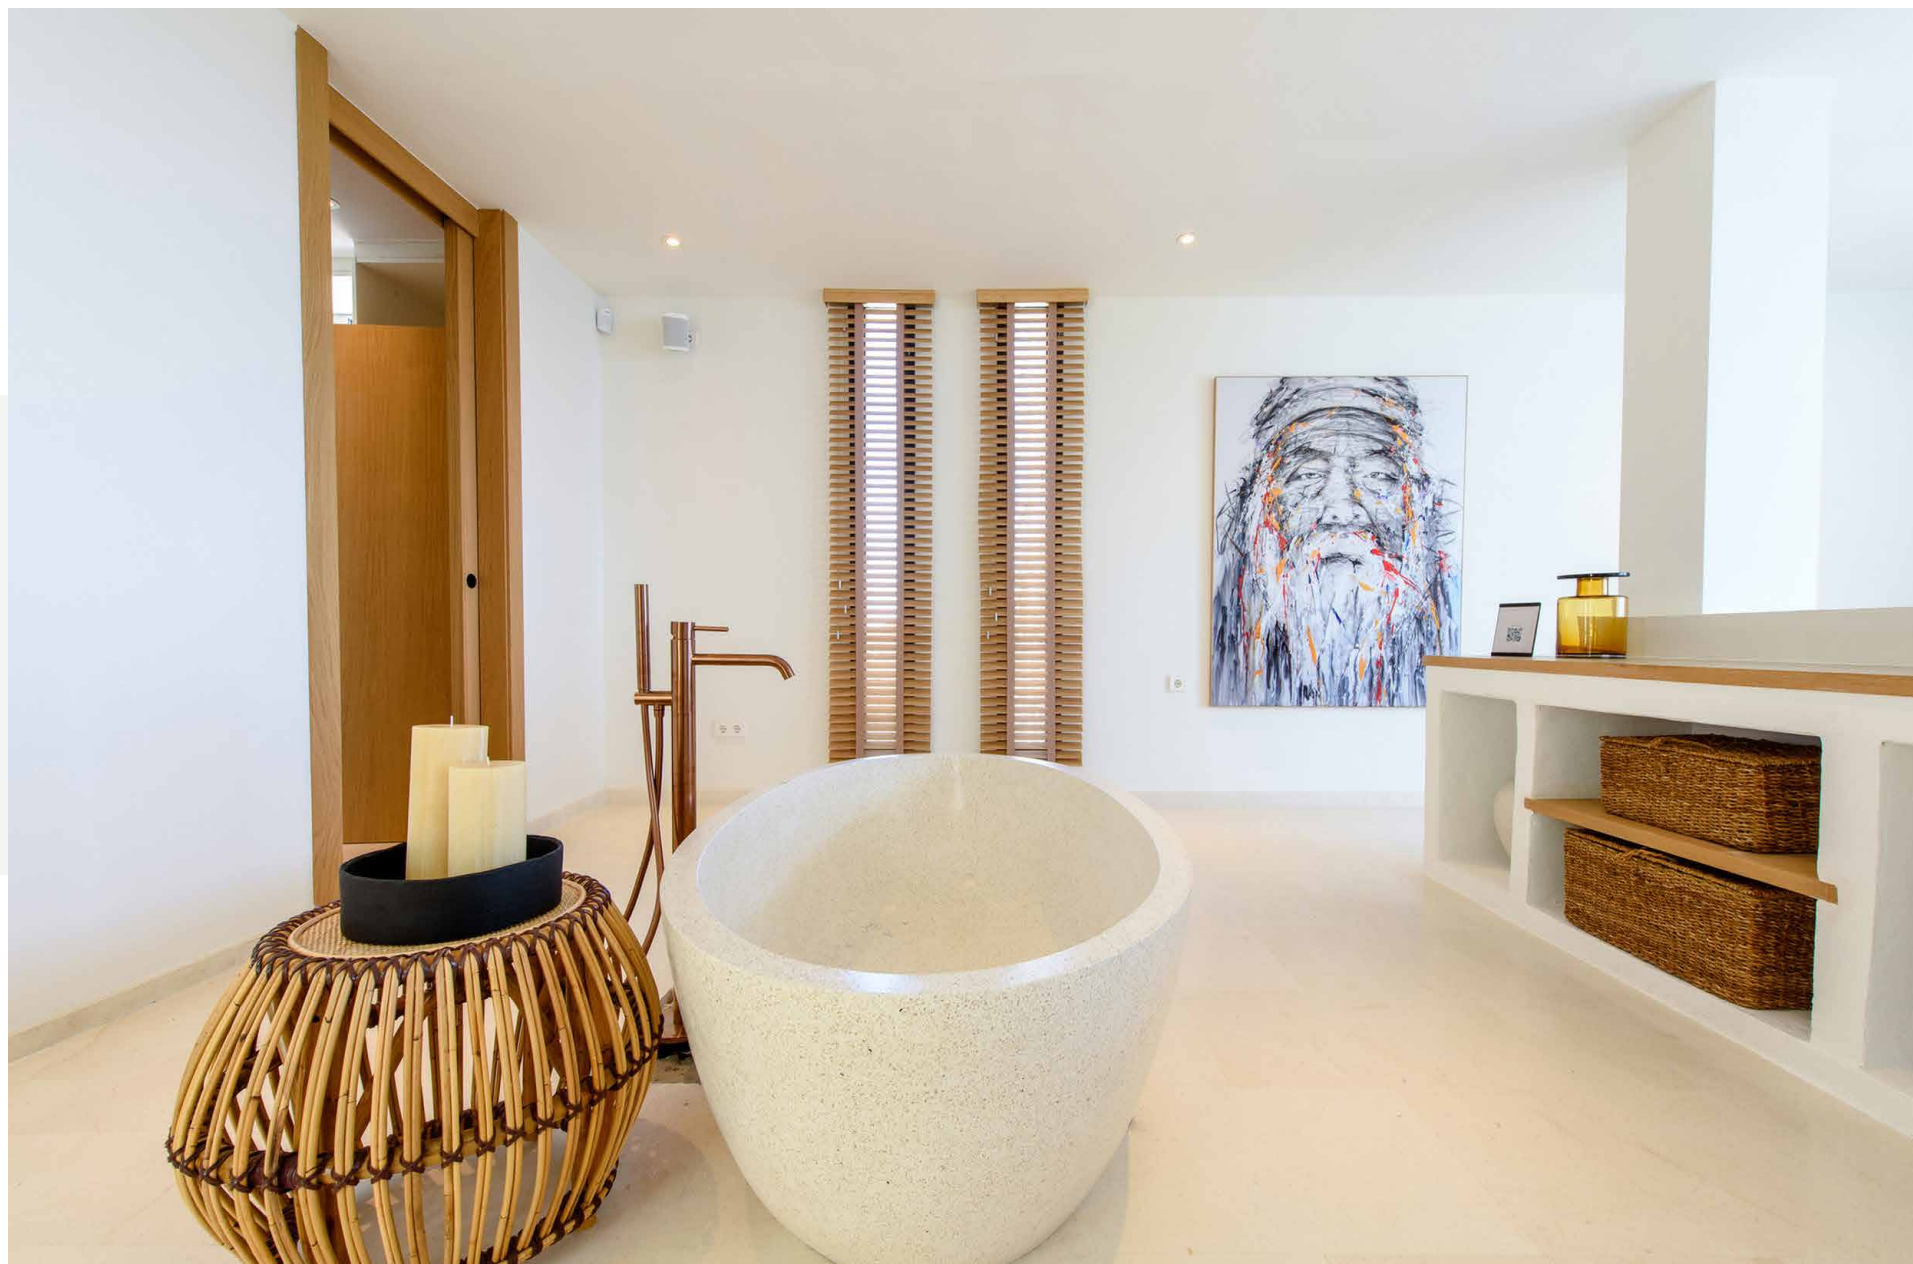

At the centre of the outdoor setting, a heated infinity pool is surrounded by a sundeck and shaded lounge areas. There's a dedicated chill-out area and dining space with a BBQ that's tailor-made for al fresco entertaining. From sunrise to sunset, the views out to sea are outstanding.

Each of the five bedrooms are calming and considered - four of which enjoy tranquil en suite bathrooms. In the standout principal bedroom suite, there's a freestanding bathtub and direct access to a sunny balcony. Completing the property is a fully equipped gym, perfect for pre-swimming workouts.
