DOMUS NOVA

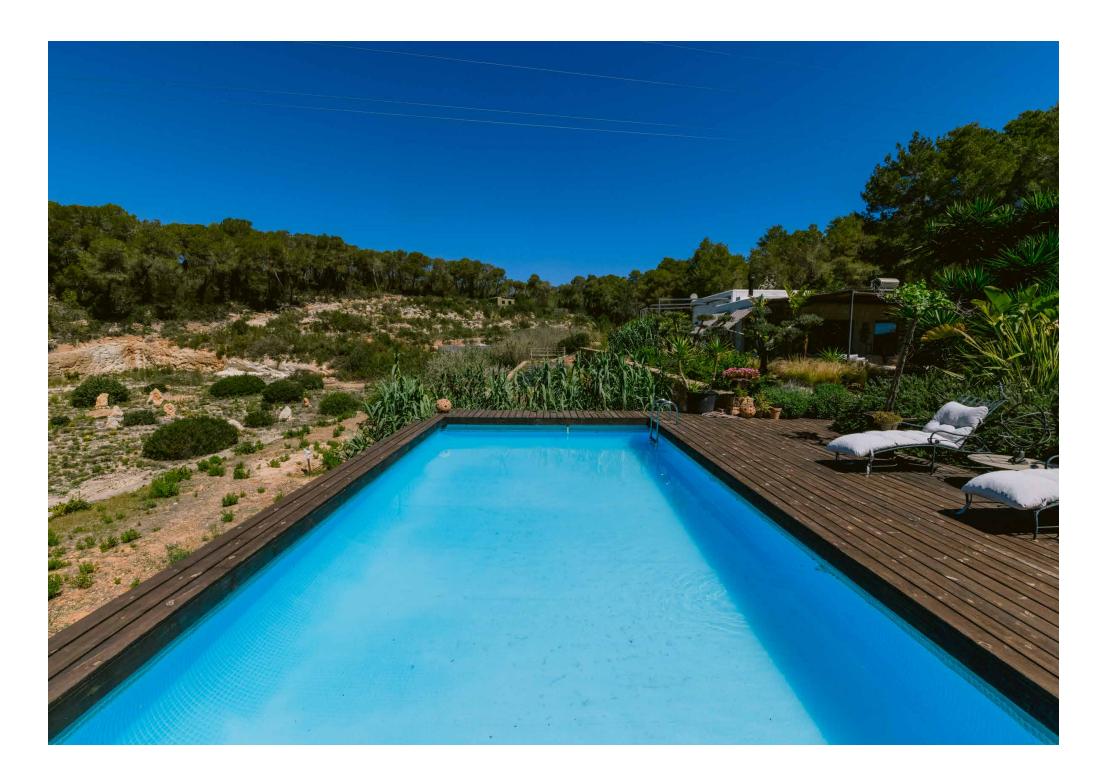

Bound by eclectic contemporary design, this two-bedroom finca for sale takes an inspired approach to its traditional framework. Plus, planning permission to expand into a five-bedroom villa.

Set within the tranquil landscape of Santa Gertrudis, this idyllic finca features panoramic views of the Ibicencan countryside. Currently a tranquil two-bedroom island home, full planning permission has been granted to reconfigure the build into a 350m2 five-bedroom villa.

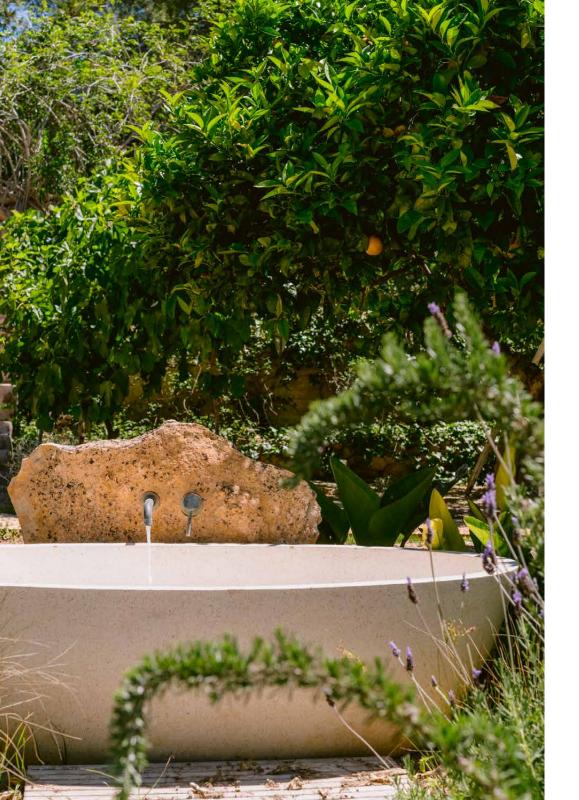

Dotted with blossoming lemon trees and vibrant bougainvillea, alfresco living areas are given priority here. Making the most of countryside views, artful landscaping blends seamlessly with the surroundings to lend a colourful backdrop. Weaving stepping stones guide through the gardens to a decked terrace, where an expansive turquoise pool invites days under the Balearic rays.

A sheltered dining space guides the way inside, where an open-plan kitchen and reception room embraces diverse design. Rustic meets mid-century modernism, with a suspended fireplace the focal feature of a light-flooded lounge. Smooth stone floors offer a grounding point for natural white walls, following through to a contemporary kitchen. Tied together with sleek white cabinetry and wooden details, it's a calming setting to cook or dine.

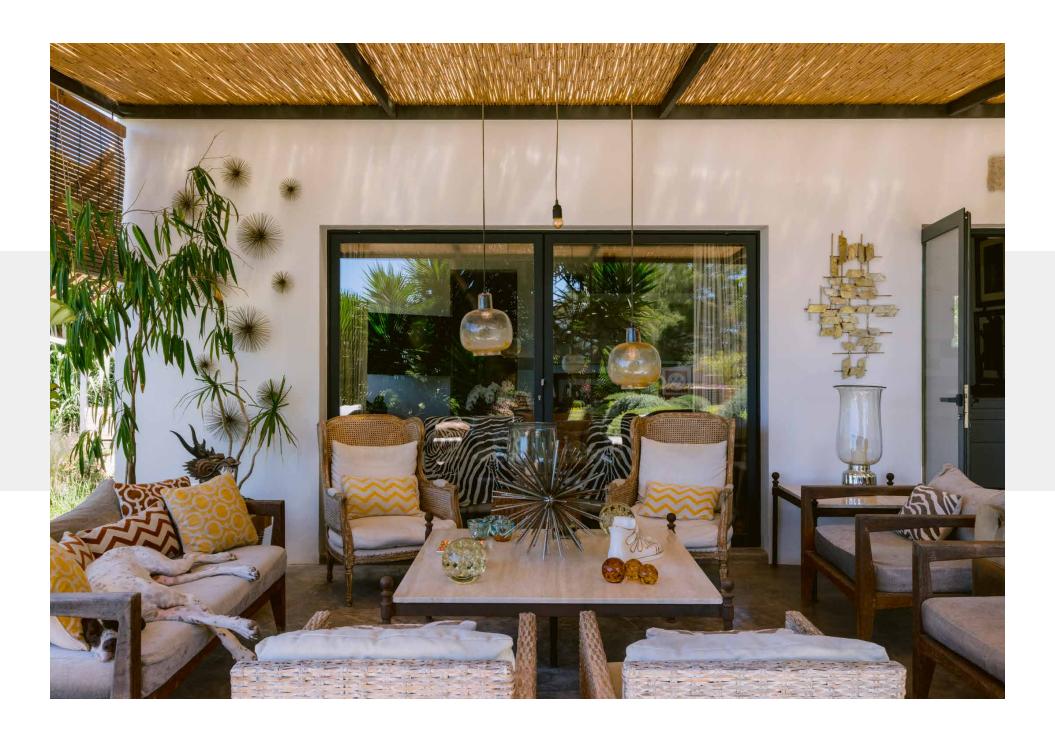

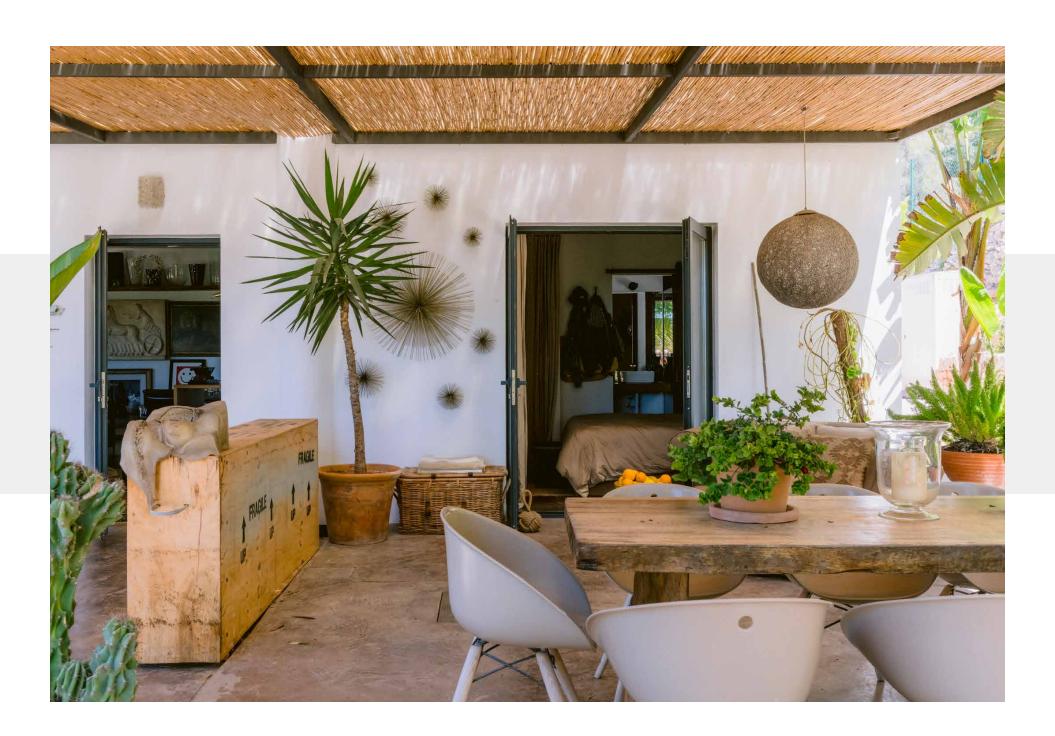

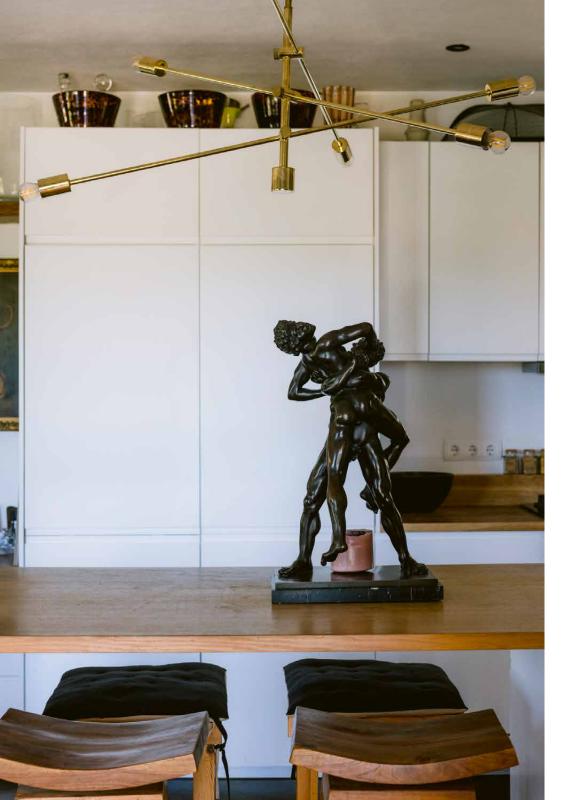

Elsewhere, sleeping quarters are bound by a pared-back palette.

Two bedrooms enjoy a restful feel with light, neutral tones, plus considered design that honours the island's architectural heritage.

Who —

we are

Forward-thinkers in property, design and culture, we're an estate agency that hits refresh.

Domus Nova was born out of a desire to do things differently; to break the traditional agency model and focus on design-led homes in London and Ibiza, all while delivering the highest levels of personal service.

Our story starts in the nineties when we founded Notting Hill's first boutique agency —and we continue to open the doors to the most remarkable spaces, revealing them to our like-minded community.

We want to help you live better – and believe considered design can do that. That's why we remain committed to building on our legacy, in collaboration with BARNES International, an established agency with a market-leading presence in 22 countries.

Uniting our local insight and curated portfolio with BARNES International's expansive reach, we can facilitate the best opportunities in not only London and Ibiza, but also across Europe, the US and further afield – whether that's a château in the South of France, a penthouse in New York, or a chalet in the Swiss Alps.
