Can Lumara, Vista Alegre – for 12 guests

In partnership with **BARNES**
INTERNATIONAL REALTY

Crisp, cubic exteriors encase gallery-white walls and minimalist interiors at this six-bedroom villa to rent on Ibiza's southwest coast.

Set within the coveted, gated community of Vista Alegre, Can Lumara is a masterclass in contemporary living. Natural light and ocean panoramas take centre stage, emphasising the feeling of peace and privacy. Newly renovated, the home unfolds across bright, open spaces that dissolve the boundary between indoors and out, with each room extending towards cinematic views of the Mediterranean and Formentera beyond.

A wraparound garden overflowing with native plants and mature olive trees invites laid-back outdoor living. Between the greenery, leisurely days unfold across intimate seating areas and shaded terraces. To the front, an infinity pool mirrors the horizon, while a pergola-covered dining area and outdoor kitchen create the perfect stage for sunset drinks and effortless entertaining.

From the terrace, sliding glass doors push back to reveal a seamless open-plan living space. A wall of sleek wooden cabinetry anchors the kitchen, its minimalist design balanced by warm countertops and an elegant waterfall breakfast bar. Fully equipped with integrated appliances, it balances form and functionality. Adjacent, a dining table for 10 sets the scene for convivial dinners, while an expansive L-shaped sofa faces the fireplace – ideal for cooler evenings, framed by floor-to-ceiling views of the sea. Downstairs, a cinema room and home office add versatility.

The upper level is dedicated to rest and retreat. The principal suite occupies a south-east facing position, its French doors opening to a terrace for soaking up the sunrise. Through a dedicated dressing area lies a serene en suite, finished in turquoise tiles and natural textures. Two further bedrooms share the same elevated outlook and refined palette, with access to a panoramic terrace.

On the lower ground floor, three guest bedrooms encircle a tranquil light well, each with sliding doors to private courtyards, sleek en suite bathrooms and inviting seating areas.

Who ——— we are

Forward-thinkers in property, design and culture, we're an estate agency that hits refresh.

Domus Nova was born out of a desire to do things differently; to break the traditional agency model and focus on design-led homes in London and Ibiza, all while delivering the highest levels of personal service.

Our story starts in the nineties when we founded Notting Hill's first boutique agency – and we continue to open the doors to the most remarkable spaces, revealing them to our like-minded community.

We want to help you live better – and believe considered design can do that. That's why we remain committed to building on our legacy, in collaboration with BARNES International, an established agency with a market-leading presence in 22 countries.

Uniting our local insight and curated portfolio with BARNES International's expansive reach, we can facilitate the best opportunities in not only London and Ibiza, but also across Europe, the US and further afield – whether that's a château in the South of France, a penthouse in New York, or a chalet in the Swiss Alps.
