Can Sargantana, Central Ibiza

For 12 guests

Panoramic views and palatial proportions. A sprawling six-bedroom villa for rent set in tropical, landscaped surrounds. Perched on a hillside plot overlooking luscious greenery, Can Sargantana is the embodiment of a Balearic retreat. Set within a private 16,700 square metres, this remarkable villa seamlessly connects the considered interiors to the landscape beyond.

At the heart of the home, an open-plan kitchen and living space exudes quiet sophistication. Limewashed walls and wide-plank dark wood flooring strike a rich textural contrast, softened by the natural light that pours through expansive, triple-aspect glazing. The dining area invites slow meals and long conversations, framed by uninterrupted views of the countryside beyond. Adjacent, the reception room is grounded by a plastered brick fireplace and Italian Travertine stone underfoot, flowing naturally into a sleek Valcucine kitchen. A glass panel offers a peek into the temperature-controlled wine cellar from the generous breakfast bar. Sleek Miele appliances and modern cabinetry sit alongside exposed beams and wooden countertops – a refined balance of Ibizcan heritage and contemporary polish.

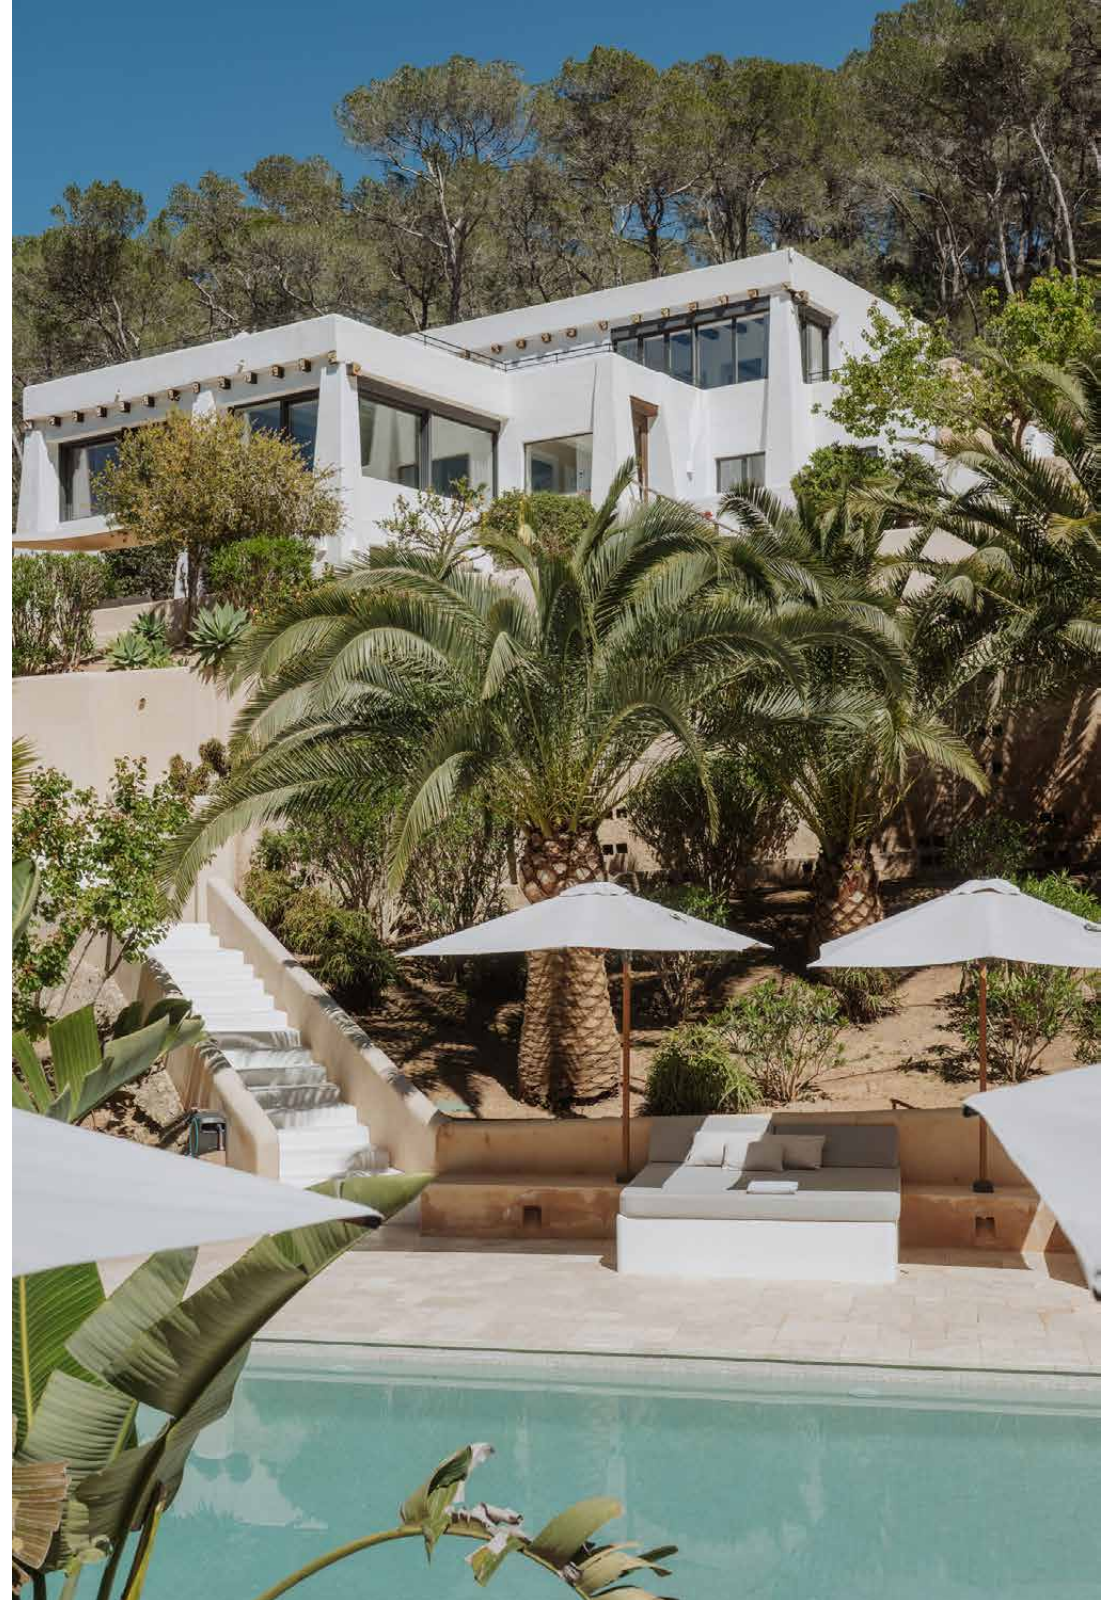

“ Terraces are dotted across the hillside, connected by winding pathways that ultimately lead to a heated swimming pool.

Step outside, and the home's resort-esque feel becomes clear. Terraces are dotted across the hillside, connected by winding pathways that ultimately lead to a heated swimming pool, complete with an automatic cover and outdoor shower. Built-in daybeds, a shaded chillout area and a fully equipped outdoor kitchen and dining is made for leisurely lunches and late-night gatherings under the stars. Begin the day on the meditation and yoga deck, while children take advantage of the play area and manicured lawn. Then come together as the sun sets for an evening movie marathon at the outdoor amphitheatre.

Back inside, the principal bedroom channels a distinctly Ibicencan aesthetic – a pared-back colour palette, organic textures and soft, ambient light. The en suite bathroom features mosaic tiling and a frameless rain shower, while a private terrace offers views across the pool. For a more immersive experience, a secluded al fresco bathroom lets you bathe amid the pines in a freestanding stone bathtub or beneath an open-air rainfall shower. Six additional bedrooms are arranged around a central atrium, crowned by a dramatic chandelier and finished with dark wooden doors and Italian stone floors.
