Casa Monet, Can Furnet - €5,900,000

In partnership with **BARNES**
INTERNATIONAL REALTY

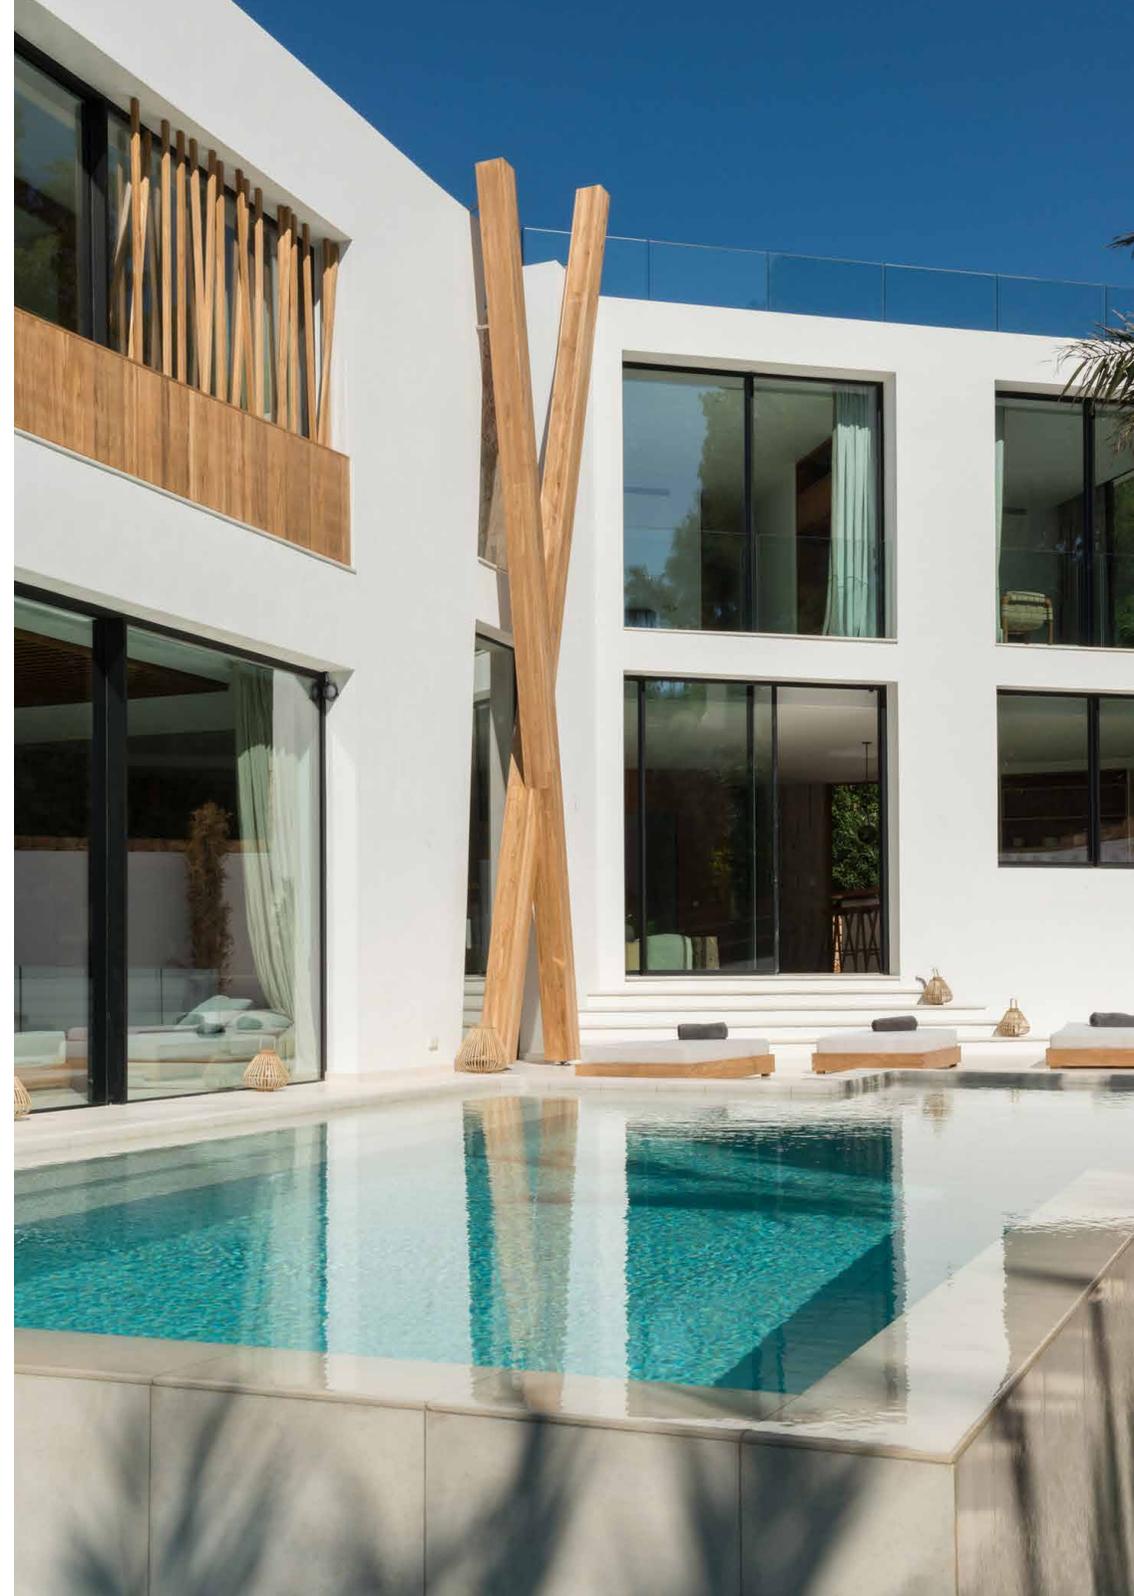

Perched high within the private enclave of Can Furnet, Casa Monet commands sweeping views across Ibiza's Old Town, rolling forested hills and the shimmering Mediterranean beyond. Oriented to the southwest, this contemporary four-bedroom home sees structural innovation softened with a tactile material palette, unfolding with golden light and framing unforgettable sunsets.

Outside, the grounds unfold across split levels, with glass balustrades that frame the sun decks, preserving uninterrupted views out to the sea. An infinity pool is carved directly into the terrace, its integrated lighting warmly illuminating the scene as natural light dims. Full-height timber beams criss-cross the façade, intersecting with vast planes of glass to create a bold architectural rhythm.

Make the most of Casa Monet's vantage points from the roof terrace. Thoughtfully zoned for lounging and dining, it offers an exceptional setting for entertaining against a backdrop of sunsets and far-reaching coastal vistas.

An expansive open-plan reception, dining space and kitchen forms the heart of the home. Soaring 3.9-metre ceilings create an immediate sense of volume, while full-height glazing slides open to reveal the terrace – blurring boundaries between the inside and out. Bespoke Austrian carpentry sees teak and walnut joinery bringing material depth to the setting, while pale stone floors run smoothly underneath.

The kitchen is a sculptural centrepiece. A generous marble island anchors the space, complemented by a timber beam that runs across the surface down to the floor. Gaggenau and Bora appliances support culinary creativity, complemented by a discreet service kitchen. Throughout the open-plan space, designer lighting by Henge07 and Bocci cast a warm glow come evening time.

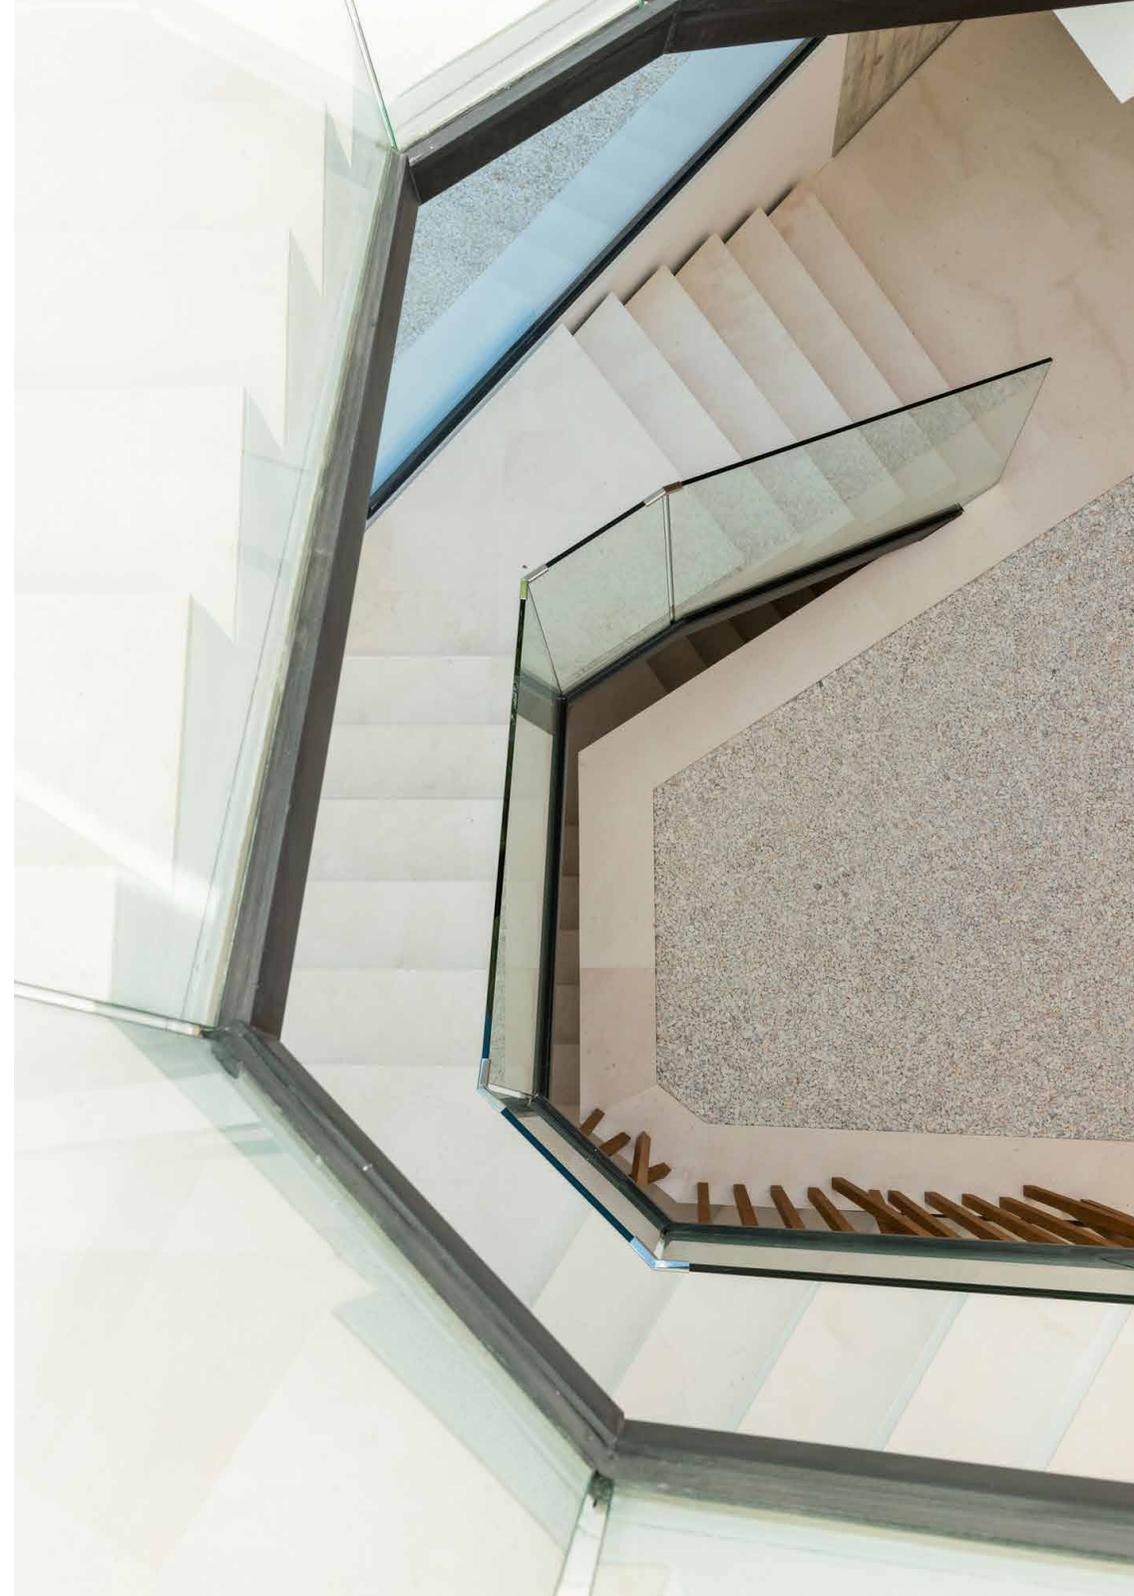

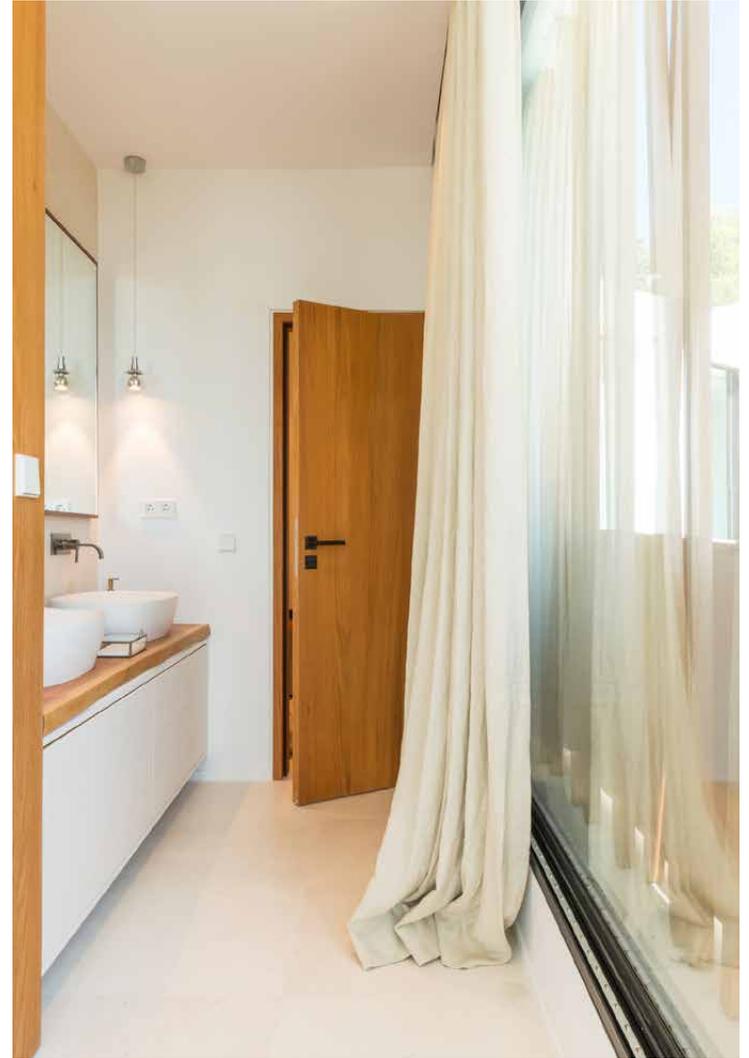

A sculptural staircase, wrapped around a tranquil patio garden, ascends to the bedroom suites. The principal bedroom is a minimalist retreat tailored for tranquillity. In the room, find a bespoke walk-in wardrobe and en suite with a double shower; open the glass doors to reveal a private, ocean-facing terrace. Three further bedroom suites echo the same hushed interior palette and abundant natural light.

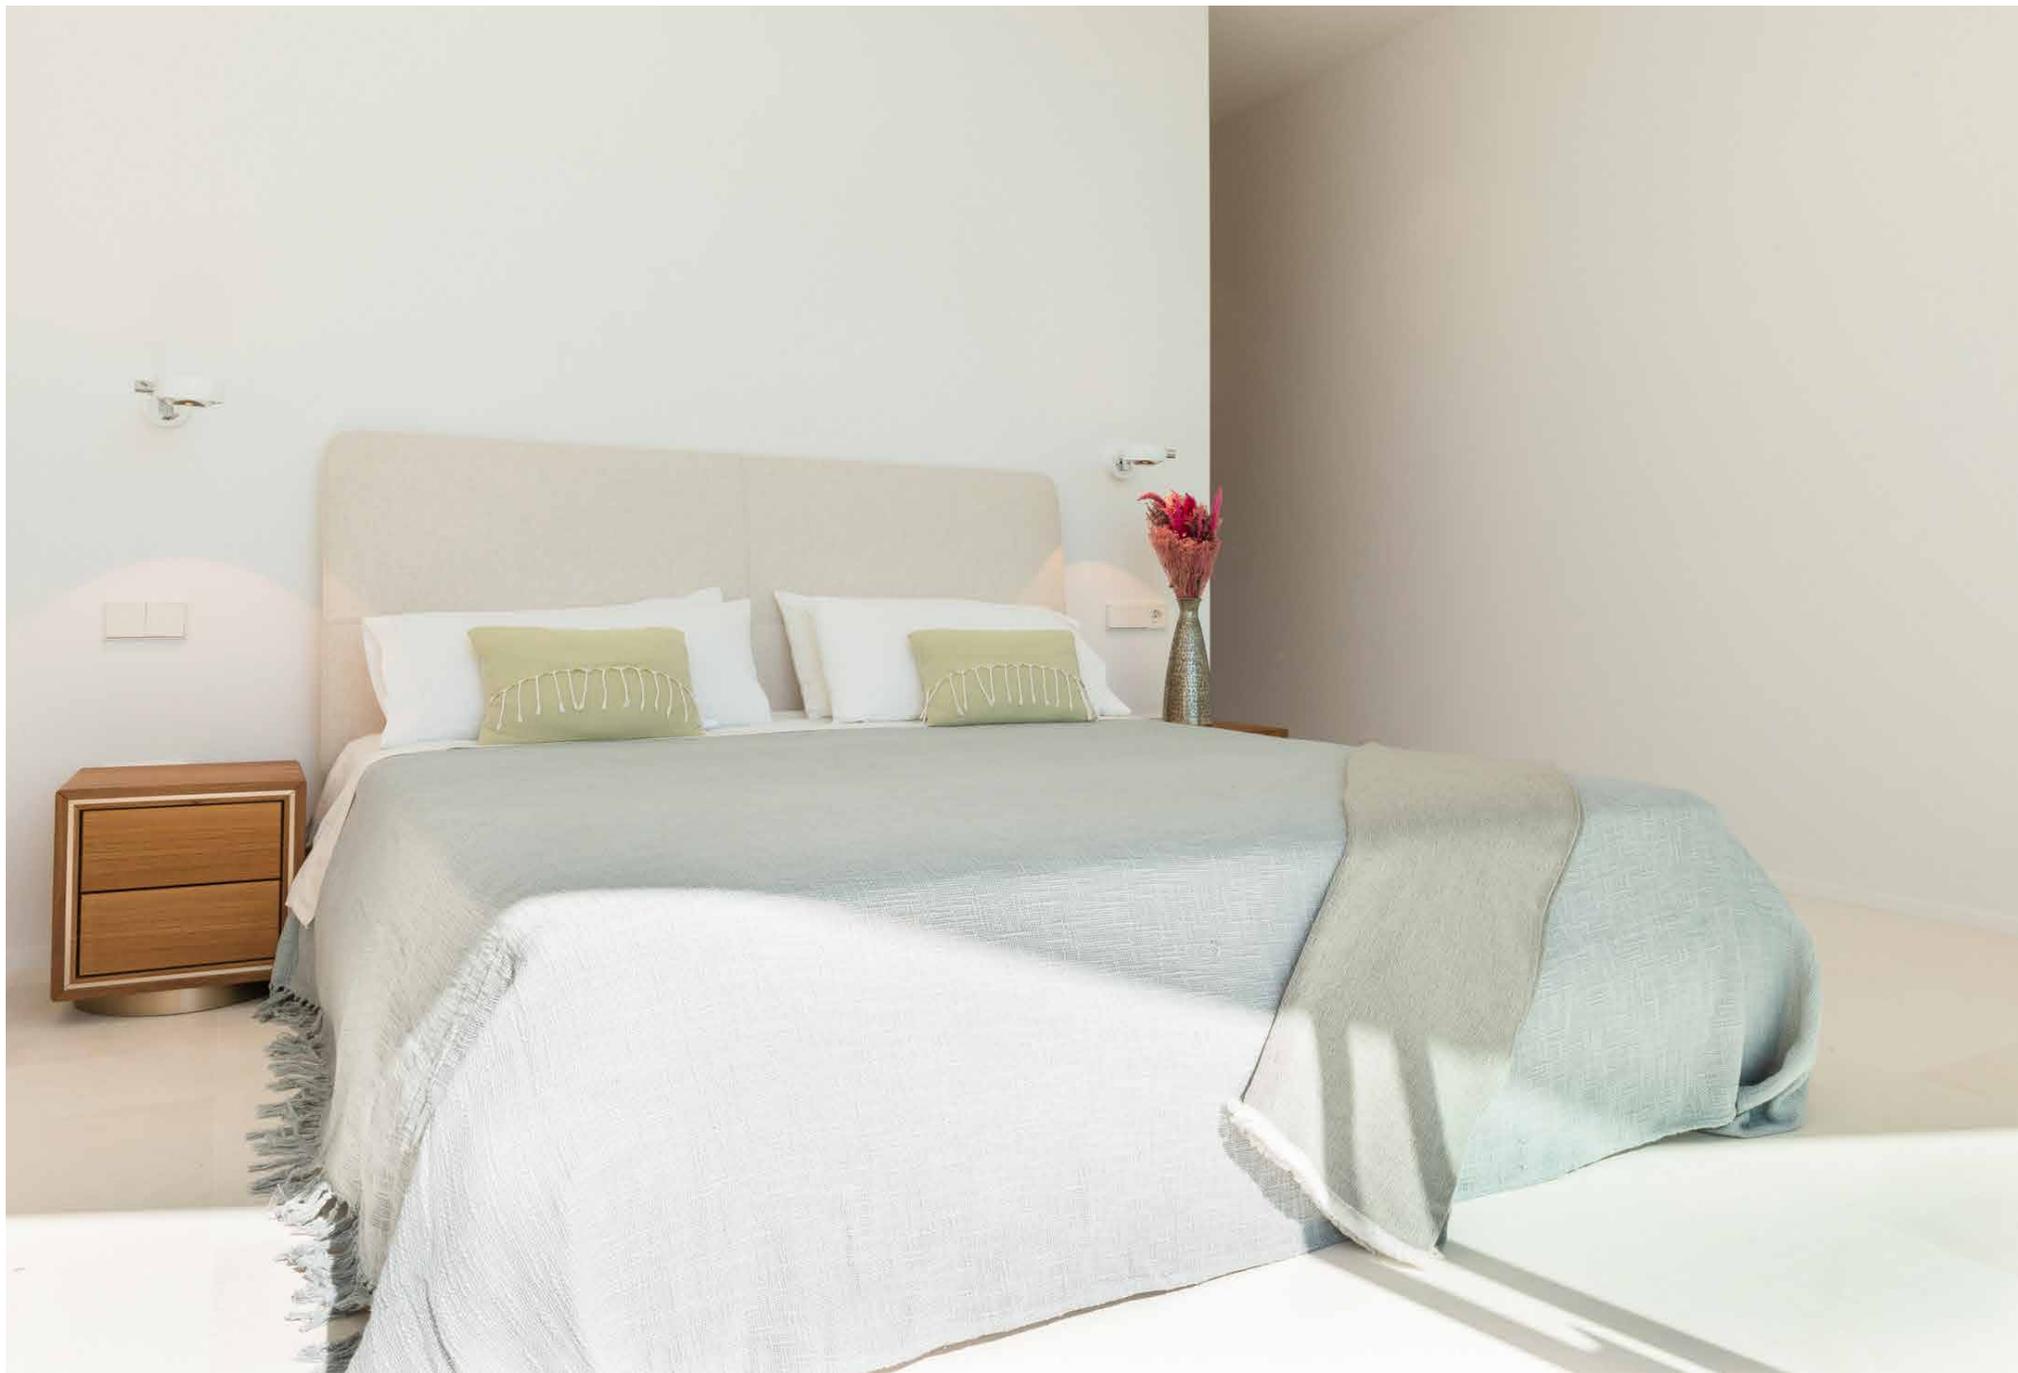

Completing the property, the basement level houses a substantial garage and offers potential for further renovation — whether as a gym, office or additional accommodation, subject to planning.

Who ——— we are

Forward-thinkers in property, design and culture, we're an estate agency that hits refresh.

Domus Nova was born out of a desire to do things differently; to break the traditional agency model and focus on design-led homes in London and Ibiza, all while delivering the highest levels of personal service.

Our story starts in the nineties when we founded Notting Hill's first boutique agency – and we continue to open the doors to the most remarkable spaces, revealing them to our like-minded community.

We want to help you live better – and believe considered design can do that. That's why we remain committed to building on our legacy, in collaboration with BARNES International, an established agency with a market-leading presence in 22 countries.

Uniting our local insight and curated portfolio with BARNES International's expansive reach, we can facilitate the best opportunities in not only London and Ibiza, but also across Europe, the US and further afield – whether that's a château in the South of France, a penthouse in New York, or a chalet in the Swiss Alps.
