

DOMUS NOVA

Finca Amara, Central Ibiza - €7.295.000

INTERNATIONAL REALTY

Classic bones, contemporary refinement. Offered exclusively by us, this six-bedroom architect-designed finca for sale is woven into the San Lorenzo countryside. Blakstad's classic-meets-contemporary design language finds fresh expression at this rural finca, currently undergoing renovation and due for completion this summer. Found just outside San Lorenzo, the house sits within a quiet pocket of countryside, where wide-open views and a profound sense of seclusion shape daily life.

Nature is a constant presence here. Framed by rolling hills, the finca is designed to blur the boundary between inside and out, drawing light and landscape deep into its interiors. There's a timelessness to the architecture: Sabina beams, natural stone and tactile timber balance expansive openings and clean lines.

The main living space unfolds as a sequence of interconnected rooms: a fireplace-warmed snug, a central salon illuminated from above by a dramatic skylight, and a dining area that opens towards the countryside beyond. From here, the kitchen extends to a bougainvillea-covered veranda, creating an easy-going setting for long lunches and al fresco evenings.

Outside, more than 15,000 square metres of land wrap the house in privacy. A swimming pool and shaded terraces sit among original stone walls and mature planting that feel like a natural extension of the surroundings.

The principal suite opens onto its own private terrace and shares the same understated material palette: rustic beams, generous glazing and soft, neutral tones. Five additional bedroom suites are arranged across the ground and lower levels, alongside flexible spaces that could become a wellness zone, cinema room, gym or wine cellar.

Location

Hidden in the peaceful inland valleys of central Ibiza, this part of the island offers easy access to year-round communities and some of the most exquisite beaches: pure blue waters in pine-scented coves. The charming rural village of San Lorenzo is just a couple of minutes away. Here, you'll find the much-loved La Paloma, which serves a Mediterranean menu made from organic vegetables grown in the kitchen garden. Santa Gertrudis and its bars, restaurants and galleries – together with Morna International College – is just a short drive away, as is the coastal town of Santa Eulalia.

Who ——— we are

Forward-thinkers in property, design and culture, we're an estate agency that hits refresh.

Domus Nova was born out of a desire to do things differently; to break the traditional agency model and focus on design-led homes in London and Ibiza, all while delivering the highest levels of personal service.

Our story starts in the nineties when we founded Notting Hill's first boutique agency – and we continue to open the doors to the most remarkable spaces, revealing them to our like-minded community.

We want to help you live better – and believe considered design can do that. That's why we remain committed to building on our legacy, in collaboration with BARNES International, an established agency with a market-leading presence in 22 countries.

Uniting our local insight and curated portfolio with BARNES International's expansive reach, we can facilitate the best opportunities in not only London and Ibiza, but also across Europe, the US and further afield – whether that's a château in the South of France, a penthouse in New York, or a chalet in the Swiss Alps.
