

DOMUS NOVA

Finca Madera, Central Ibiza
For 18 guests

Sequestered within verdant foliage, rural farmland provides a rustic backdrop for this secluded finca for rent. The generous plot includes two saltwater pools, several buildings and 70,000 square metres of woods, almond orchards and olive groves.

A scenic, 10-minute drive from Santa Gertrudis, Ibiza's cultural heart, an agricultural retreat provides peace and privacy in equal measure. The estate's main house, Finca No.17, was the 17th finca registered in Ibiza. Characterised by sandy tones and exposed beams, thick walls provide the space with a strong sense of security. Above, skylights pour in natural light and pair with high ceilings to create a rejuvenating atmosphere.

Lime render fireplaces lend Ibicencan tactility while a roof terrace forms an enviable vantage point over the luscious treeline and working farmland. Arranged over two floors, the main house combines three bedrooms, two bathrooms and a separate one-bedroom, one-bathroom studio. Outside, a walled garden provides the plot with an inner sanctuary. Beyond, a forest pool sits among the trees, completed by an outdoor kitchen.

Elsewhere on the estate, two casitas wear a darker look. Connected by a leafy archway, they feature interiors with wooden beams, exposed brick accents and textural, barn-style doors. With multiple dining terraces, an outdoor kitchen and a palm-lined saltwater pool with a shaded chillout area, the casitas feature four bedrooms, two bathrooms and a separate one-bedroom, one-bathroom annexe.

Finca Madera is a peaceful retreat with an unrivalled setting. Tranquillity comes naturally to this rustic estate, the manicured fields and aqueduct system of which give life to crops that have been feeding locals for hundreds of years.
