La Corte, Can Furnet - For 12 guests

In partnership with **BARNES**
INTERNATIONAL REALTY

Surrounded by verdant woodland and lush Mediterranean gardens, La Corte is all natural tranquillity and privacy – while being enviably positioned between Can Furnet and Cala Llonga. Recently renovated, the estate combines traditional Ibicencan architecture with a fresh, contemporary sensibility, alongside a considered range of sustainable features including underfloor heating, air conditioning, solar-powered hot water and double glazing.

Beyond an electric gate, a tree-lined driveway leads to the whitewashed cubic architecture of the main house. Inside, natural materials abound: an open-plan kitchen and dining room pairs terracotta-toned floor tiles with wood-framed cabinetry and pale whitewashed walls. A wide archway leads into the main reception room, where timber ceiling beams and dual-aspect, floor-to-ceiling glazing bring warmth and abundant natural light. A second living space is perfect for use as a dedicated home cinema and chill-out area.

Outside, life revolves around the 92m² salt-water swimming pool, with a generous sundeck for long afternoons in the sun. A stone courtyard with a fountain connects the principal façade to the gym and sauna, while an orchard and shaded al fresco dining area with a wood-fired oven and barbecue create a natural setting for entertaining. Come evening, the roof terrace offers a secluded spot for sundowners and stargazing.

Each of the six bedrooms follows the home's minimalist interior palette, with large windows framing far-reaching views. The principal suite is positioned on the first floor and includes a private sitting room and panoramic sun terrace. Three further guest bedrooms are arranged around the central living spaces, while two separate annexes – a two-storey tower and a staff cottage – provide additional privacy and flexibility.

Who — we are

Forward-thinkers in property, design and culture, we're an estate agency that hits refresh.

Domus Nova was born out of a desire to do things differently; to break the traditional agency model and focus on design-led homes in London and Ibiza, all while delivering the highest levels of personal service.

Our story starts in the nineties when we founded Notting Hill's first boutique agency – and we continue to open the doors to the most remarkable spaces, revealing them to our like-minded community.

We want to help you live better – and believe considered design can do that. That's why we remain committed to building on our legacy, in collaboration with BARNES International, an established agency with a market-leading presence in 22 countries.

Uniting our local insight and curated portfolio with BARNES International's expansive reach, we can facilitate the best opportunities in not only London and Ibiza, but also across Europe, the US and further afield – whether that's a château in the South of France, a penthouse in New York, or a chalet in the Swiss Alps.
