Villa Omara, Can Furnet - For 6 guests

In partnership with **BARNES**  
INTERNATIONAL REALTY

Set within Can Furnet – one of Ibiza’s most prestigious gated enclaves – this three-bedroom villa is a study in sculptural modern design. Elevated above Ibiza’s Southern coastline, the retreat sweeping views across Ibiza’s Old Town, rolling forested hills and the shimmering Mediterranean beyond, with a distinctly contemporary aesthetic persuasion. Plus, residents can enjoy access to the tennis club at an additional charge.

Outside, a 10-metre, solar-heated swimming pool is seamlessly integrated into the main terrace, creating a fluid transition between shaded lounging and refreshing dips. A built-in barbecue and Bose sound system in the house elevate the space, making it ideal for entertaining. Palm trees punctuate the landscape, framing expansive views towards the horizon. A secluded staircase leads to a dedicated wellness level, featuring a jacuzzi terrace and a sauna. Beneath a shaded canopy, this tranquil space offers the perfect setting for quiet morning rituals, sunset gatherings, and evenings under the stars.

Inside, a rhythmic interplay of curves and volume defines the interiors. Arched thresholds guide the flow between spaces, while a double-height living room creates a dramatic centre point. The eye travels upward to a vaulted ceiling crowned by a sculptural pendant, casting a warm ambient glow as day turns to evening. Marble walls and floors reflect an abundance of natural light, amplified by expansive glazing that leads directly to the grounds beyond.

The kitchen continues the home's refined material palette, anchored by a circular island that doubles as a breakfast bar. Adjacent, a dining area offers an intimate setting for hosting during the cooler months. From the living room, a cantilevered staircase ascends to a first-floor library area, where revolving glass doors open onto a balcony terrace with a lounge area – a private vantage point with remarkable views across the landscape.

Natural materials and serenity shape the bedrooms and bathrooms. Two principal suites occupy the first floor: one features an in-room bathroom complete with a freestanding tub and walk-in shower; the other is equally serene, and both enjoy direct access to the sun-drenched terrace. Marble detailing is paired with soft recessed lighting, while wooden wardrobes introduce warmth and texture. On the ground floor, a third double bedroom offers added privacy alongside its own hammam – a refined feature that prioritises wellness.

# Who ——— we are

Forward-thinkers in property, design and culture, we're an estate agency that hits refresh.

Domus Nova was born out of a desire to do things differently; to break the traditional agency model and focus on design-led homes in London and Ibiza, all while delivering the highest levels of personal service.

Our story starts in the nineties when we founded Notting Hill's first boutique agency – and we continue to open the doors to the most remarkable spaces, revealing them to our like-minded community.

We want to help you live better – and believe considered design can do that. That's why we remain committed to building on our legacy, in collaboration with BARNES International, an established agency with a market-leading presence in 22 countries.

Uniting our local insight and curated portfolio with BARNES International's expansive reach, we can facilitate the best opportunities in not only London and Ibiza, but also across Europe, the US and further afield – whether that's a château in the South of France, a penthouse in New York, or a chalet in the Swiss Alps.
