Villa Panorama, Can Furnet - €7,900,000

In partnership with **BARNES**
INTERNATIONAL REALTY

Spread across multiple levels at the highest point of the prestigious gated community of Can Furnet, this newly-renovated villa pairs serene interiors with extraordinary 360-degree vistas. Elevated above Ibiza's southern coastline and secured within a 24-hour gated enclave, the setting takes in Ibiza Town, Dalt Vila, Talamanca Bay, rolling pine-clad hills and the shimmering Mediterranean beyond.

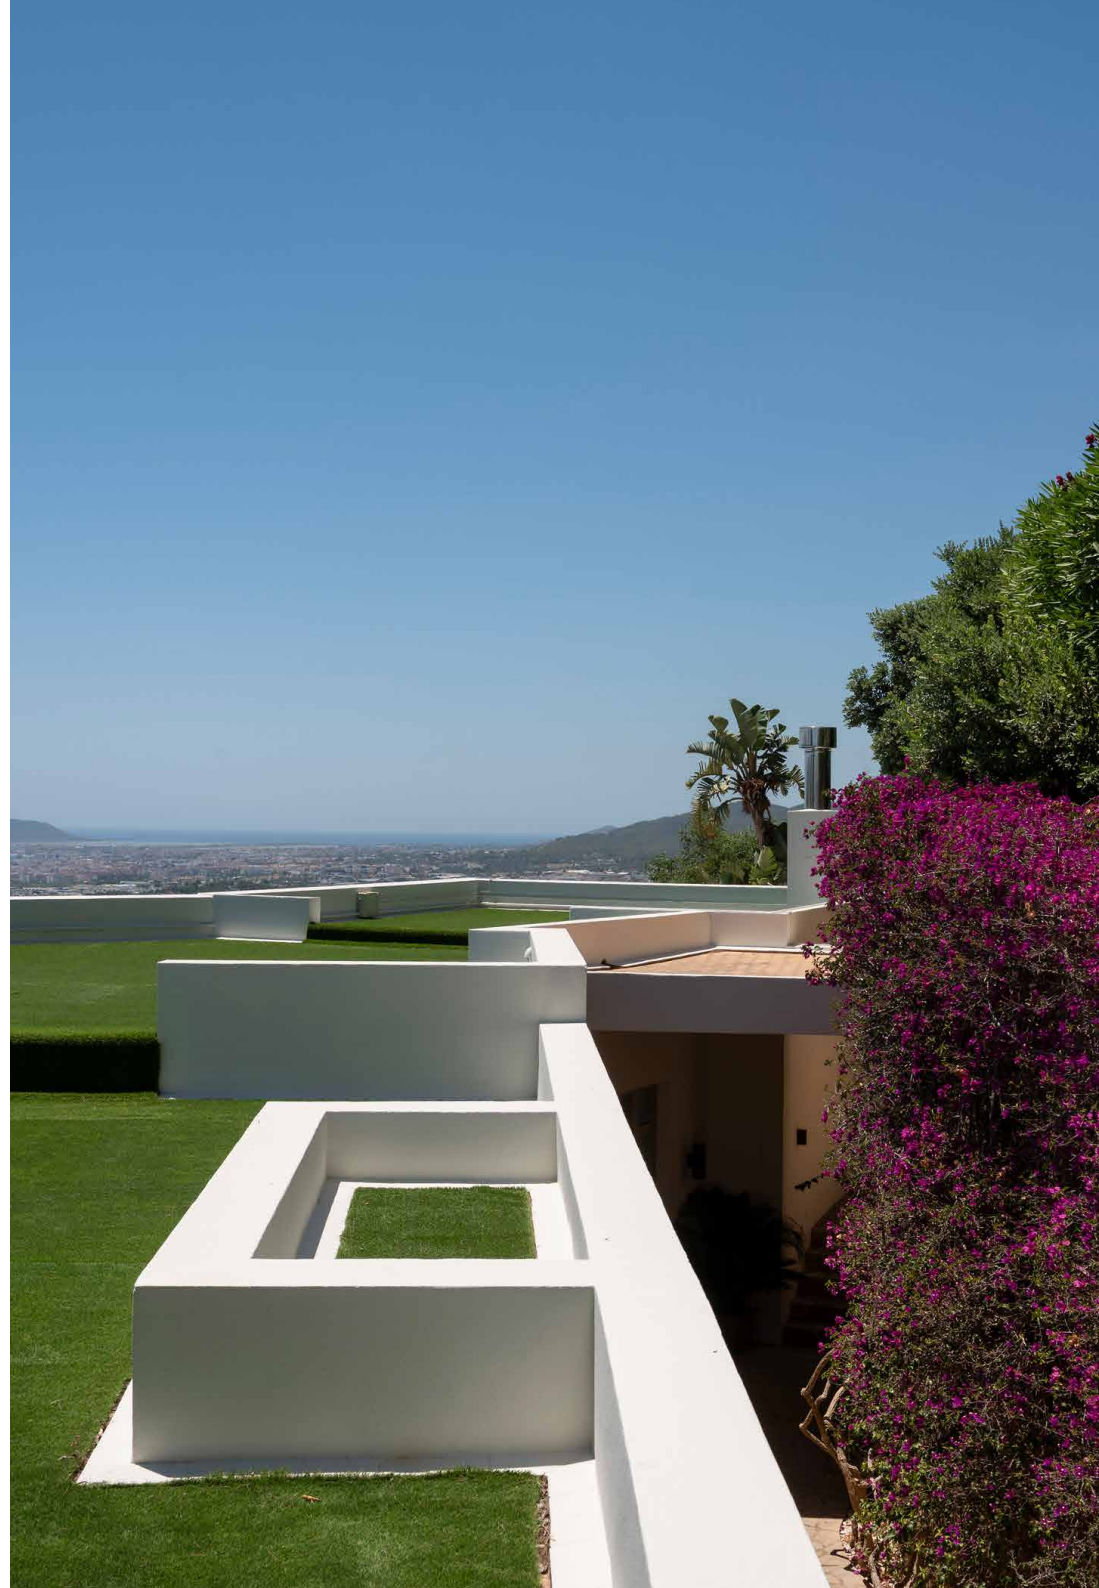

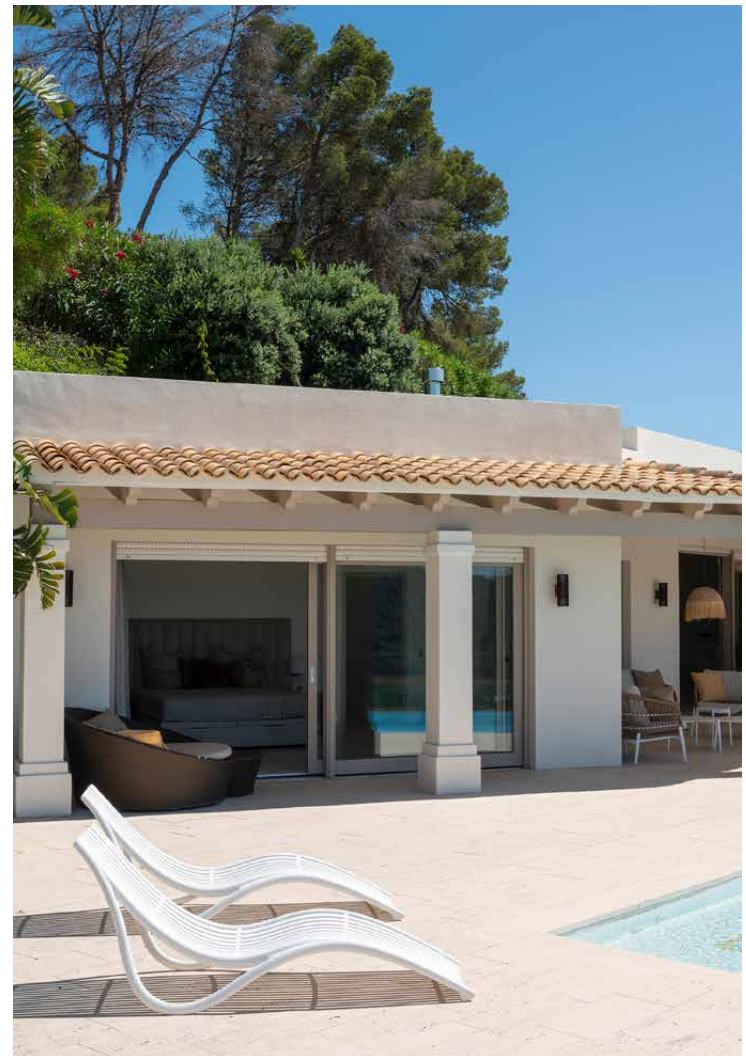

Outside, the eye is drawn to the bright-blue infinity pool and the uninterrupted views beyond. A generous sundeck and al fresco dining terrace provide the perfect setting for long afternoons overlooking Ibiza's southern coastline, while the expansive lawned roof terrace – spanning the footprint of the villa – offers an exceptional spot for sunset drinks and stargazing.

Inside, soaring ceilings and an abundance of glazing create an uplifting sense of light and space. A sweeping open-plan living and dining area is designed for entertaining and everyday living; a sleek modern fireplace is set within a striking marble feature wall, while wall-to-wall sliding glass doors dissolve the boundary between indoors and out.

The kitchen is sleek and streamlined, where marble worktops meet flawlessly crafted timber cabinetry and seamlessly integrated appliances. On the lower level, a series of flexible spaces can be configured as a home cinema, gym, creative studio or wellness suite.

Eight bedrooms unfold across the upper and lower floors, where restrained interiors and carefully considered proportions maintain the home's sense of tranquility and contemporary style. Two principal suites are positioned to enjoy private terraces and far-reaching outlooks, while the remaining spaces are perfect for family, friends and visiting guests.

Who — we are

Forward-thinkers in property, design and culture, we're an estate agency that hits refresh.

Domus Nova was born out of a desire to do things differently; to break the traditional agency model and focus on design-led homes in London and Ibiza, all while delivering the highest levels of personal service.

Our story starts in the nineties when we founded Notting Hill's first boutique agency – and we continue to open the doors to the most remarkable spaces, revealing them to our like-minded community.

We want to help you live better – and believe considered design can do that. That's why we remain committed to building on our legacy, in collaboration with BARNES International, an established agency with a market-leading presence in 22 countries.

Uniting our local insight and curated portfolio with BARNES International's expansive reach, we can facilitate the best opportunities in not only London and Ibiza, but also across Europe, the US and further afield – whether that's a château in the South of France, a penthouse in New York, or a chalet in the Swiss Alps.
