INTERNATIONAL REALTY

Encompassing the entire top floor of a new-build development in Bayswater, this three-bedroom penthouse apartment has been drawn with a streamlined and minimalist aesthetic eye. A lift opens directly into the property, where a long entrance hallway leads down into the home's social heart. The open-plan kitchen, dining and reception room has understated sophistication with smart whitewashed walls and wooden floors — offering a neutral backdrop for interior creativity. Capitalising on the high vantage point, dual-aspect fenestration bathes the space in sunlight.

The kitchen is ergonomic and modish with its glossy cabinetry and hi-tech Miele appliances, plus a central island that's crowned with contemporary pendant lights. It's a space tailor-made for entertaining, with a sense of flow between the dining and lounge areas. Bi-folding doors lead into an additional living room, which is flooded with natural light through a glass roof. From here, there's direct access to the private terrace which enjoys views across the surrounding roofscape.

The principal bedroom suite is a calming space crafted with pared-back tones, complete with a dressing area and sleek en suite bathroom. From the sleeping area, full-height glass doors open onto a private balcony. This bedroom's layout is matched across the hallway by the second bedroom suite, which also enjoys direct access to a balcony. Completing the property is a third bedroom suite and a separate study, which could be reimagined as a small room with a baby's crib.

Who ——— we are

Forward-thinkers in property, design and culture, we're an estate agency that hits refresh.

Domus Nova was born out of a desire to do things differently; to break the traditional agency model and focus on design-led homes in London and Ibiza, all while delivering the highest levels of personal service.

Our story starts in the nineties when we founded Notting Hill's first boutique agency – and we continue to open the doors to the most remarkable spaces, revealing them to our like-minded community.

We want to help you live better – and believe considered design can do that. That's why we remain committed to building on our legacy, in collaboration with BARNES International, an established agency with a market-leading presence in 22 countries.

Uniting our local insight and curated portfolio with BARNES International's expansive reach, we can facilitate the best opportunities in not only London and Ibiza, but also across Europe, the US and further afield – whether that's a château in the South of France, a penthouse in New York, or a chalet in the Swiss Alps.
