Millwood Street W10 – £1,150,000

INTERNATIONAL REALTY

Just moments from the bustle of Portobello Road, Millwood Street offers a quieter rhythm – a sense of retreat wrapped in a characterful Victorian terrace. Arranged across three floors behind a striking, blue-painted façade, this heritage maisonette balances period charm with thoughtful finishes.

A private front door leads directly from street level into the home. Up the staircase, the first-floor kitchen and living area unfold: a convivial space framed by southeast-facing windows. The kitchen blends farmhouse notes with refined modern living – Shaker-style cabinetry in soft tones, antique brass hardware, wide-stave oak countertops and a butler's sink, complemented by integrated appliances.

Oak floorboards guide the eye through to the dining and living area. Here, bespoke joinery maximises storage, with space for a television or a home bar, and sash windows fitted with Jim Lawrence latches usher in natural light. Cast-iron radiators painted in Farrow & Ball's School House White complete the scene.

Ascending the sky-lit stairs to the second floor, the guest bedroom is calm and considered, with integrated storage, cast-iron radiators and southeast-facing windows. The home's bathroom shares this floor and features a shower adorned with artisan porcelain tiles, a towel rail and hidden storage.

The top floor is dedicated to the principal suite – a sanctuary beneath lofty ceilings, where pale tones and timber floors set a calm backdrop. A roll-top bath anchors the space, embracing an open-plan bedroom-bathroom concept with a spa-like sensibility.

The home's pièce de résistance – a south-facing roof terrace is accessed via a glass door – an al fresco space set above the hustle, perfect for morning coffees and evening sundowners.

Who — we are

Forward-thinkers in property, design and culture, we're an estate agency that hits refresh.

Domus Nova was born out of a desire to do things differently; to break the traditional agency model and focus on design-led homes in London and Ibiza, all while delivering the highest levels of personal service.

Our story starts in the nineties when we founded Notting Hill's first boutique agency – and we continue to open the doors to the most remarkable spaces, revealing them to our like-minded community.

We want to help you live better – and believe considered design can do that. That's why we remain committed to building on our legacy, in collaboration with BARNES International, an established agency with a market-leading presence in 22 countries.

Uniting our local insight and curated portfolio with BARNES International's expansive reach, we can facilitate the best opportunities in not only London and Ibiza, but also across Europe, the US and further afield – whether that's a château in the South of France, a penthouse in New York, or a chalet in the Swiss Alps.
