INTERNATIONAL REALTY

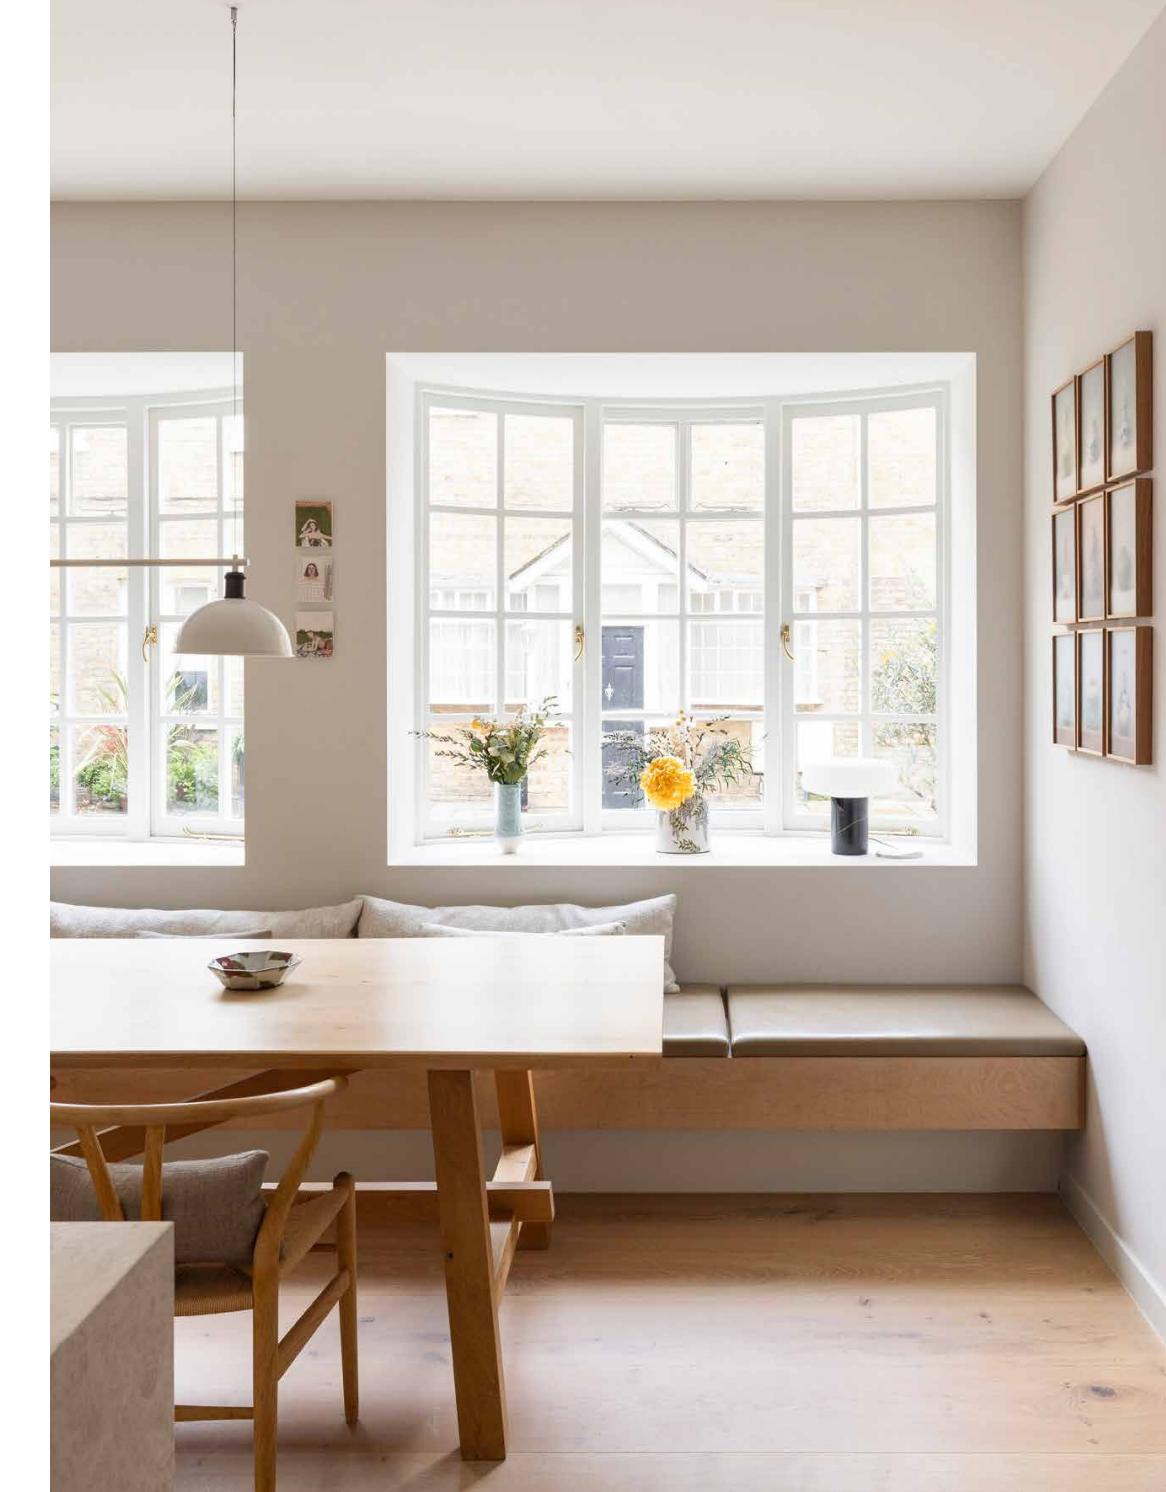

Caught between Hyde Park and Knightsbridge, this Grade II listed mews block has a secluded feel – accessed through a tall brick archway. Beyond, the small cluster of homes sit on paving stones, showcasing historic esteem with their blue plaques and picturesque façades. Inside one of these mews homes, luminous contemporary design comes to the fore across its spacious footprint.

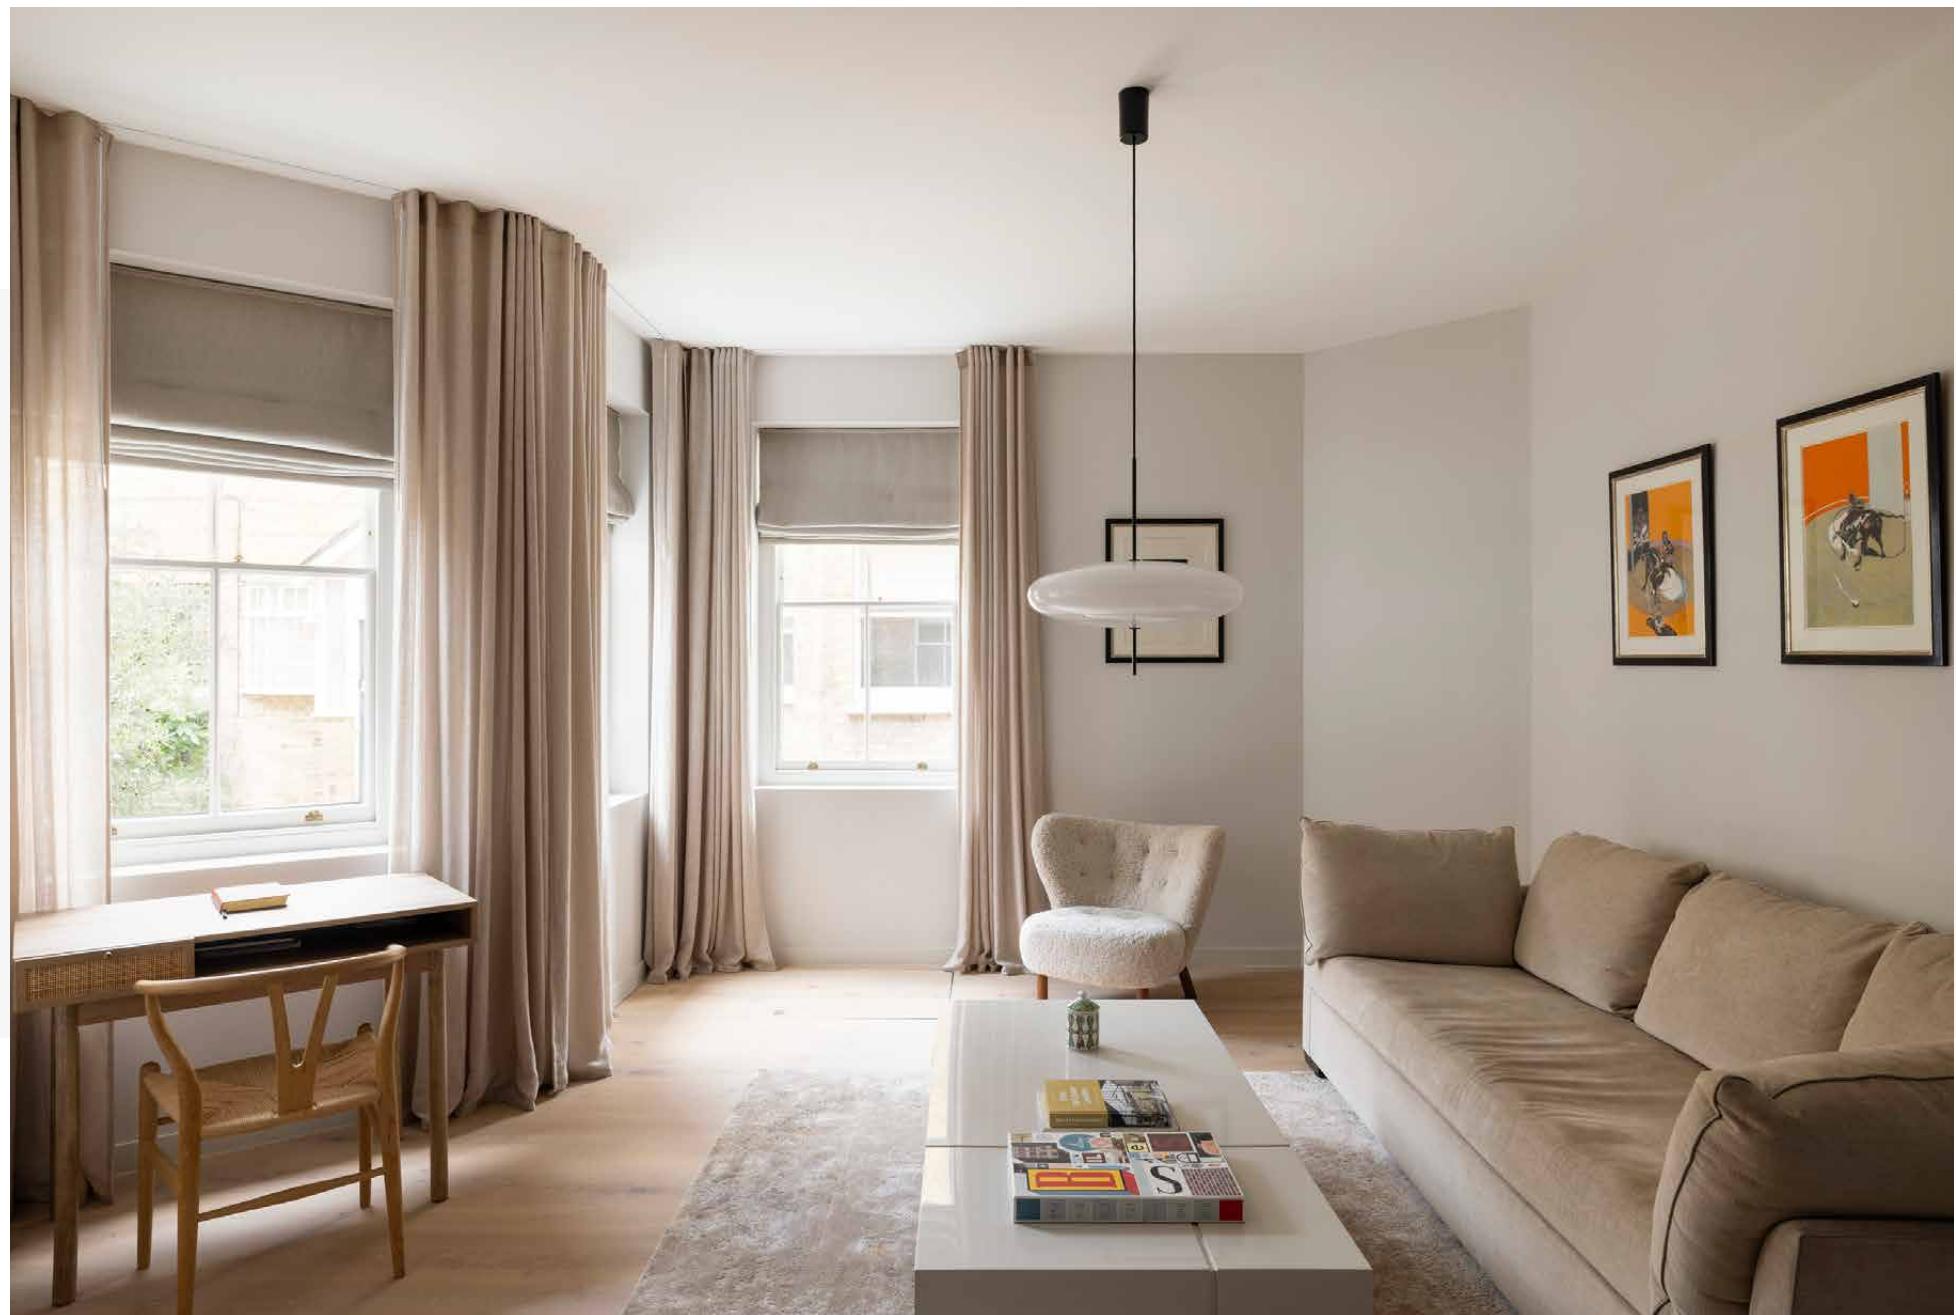

Past the ornate front door, head right into the open-plan kitchen and dining room. Natural light abounds through large picture windows, accentuating the whitewashed tones and pale wood floors. A striking waterfall marble island centres the kitchen, which has been crafted with handleless cabinetry and seamlessly integrated Miele appliances. Banquette seating makes for a relaxed eating area – illuminated by a series of pendant lights that hang above the table.

Across the large entrance hallway, tranquility ensues in the living room. Neutral floor-to-ceiling curtains frame sash windows, which diffuse sunlight across the space. There's a desk suited for home working, plus an inviting sofa and boucle armchair positioned beneath the midcentury modern pendant light. A full-height black bookshelf is a bold contrast against the paler scheme, offering display and storage space in abundance.

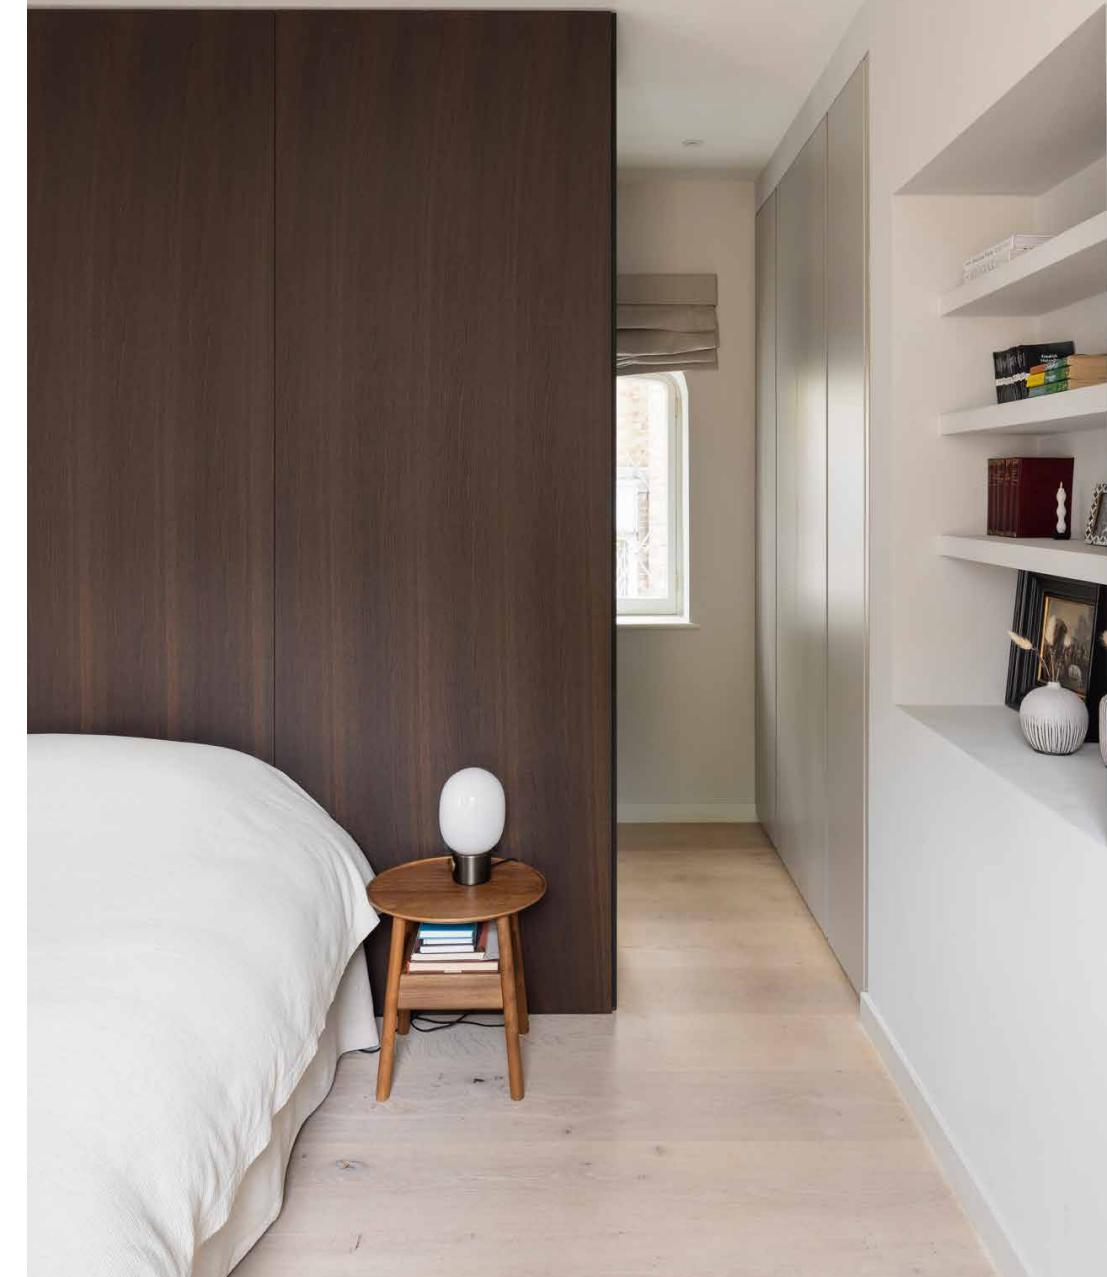

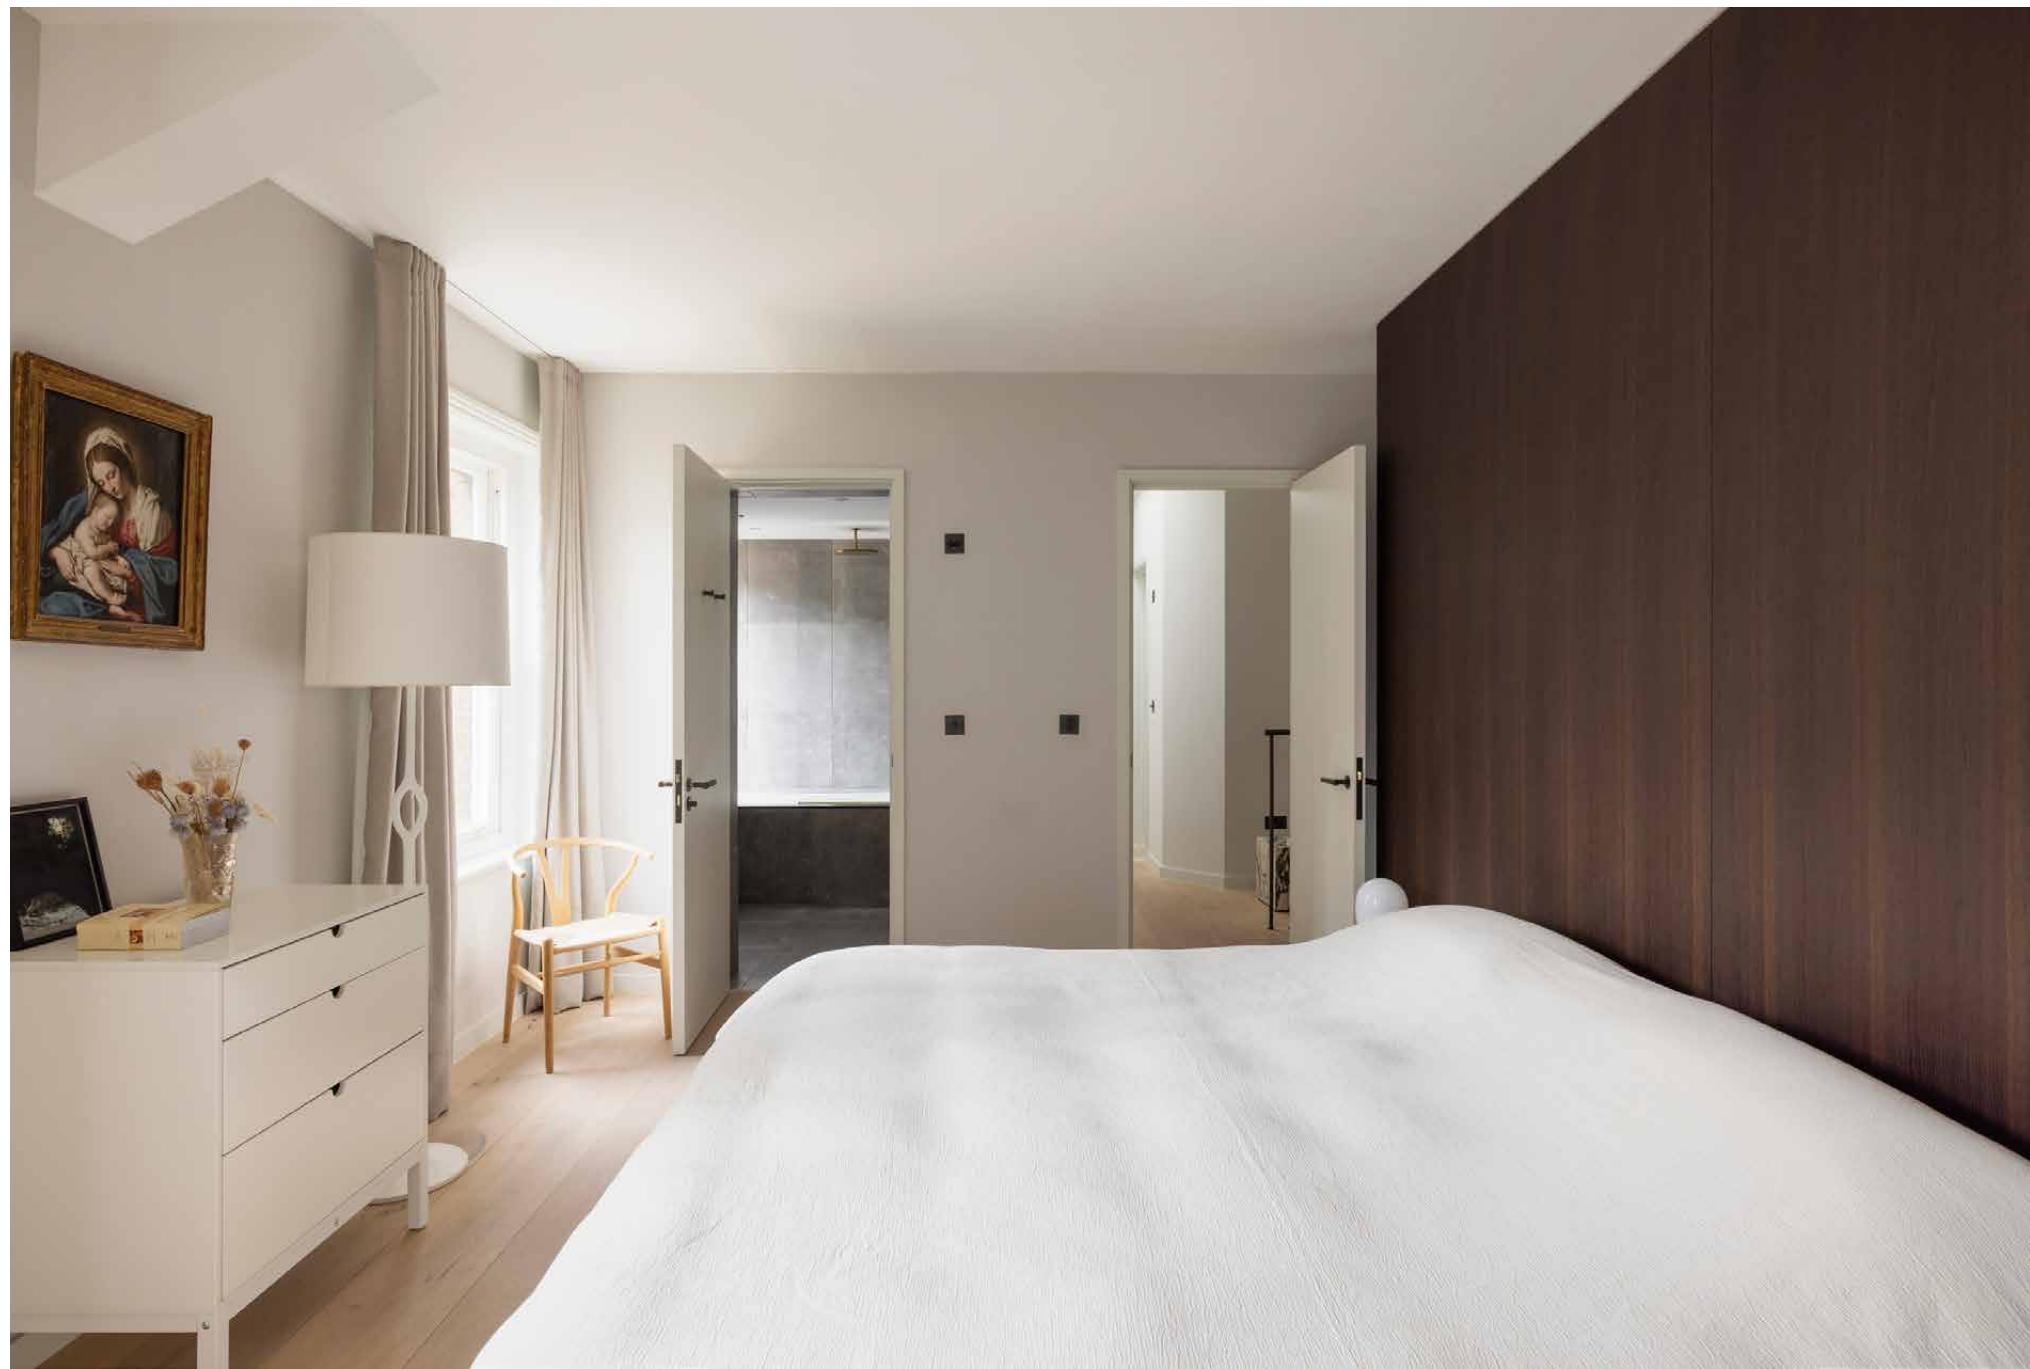

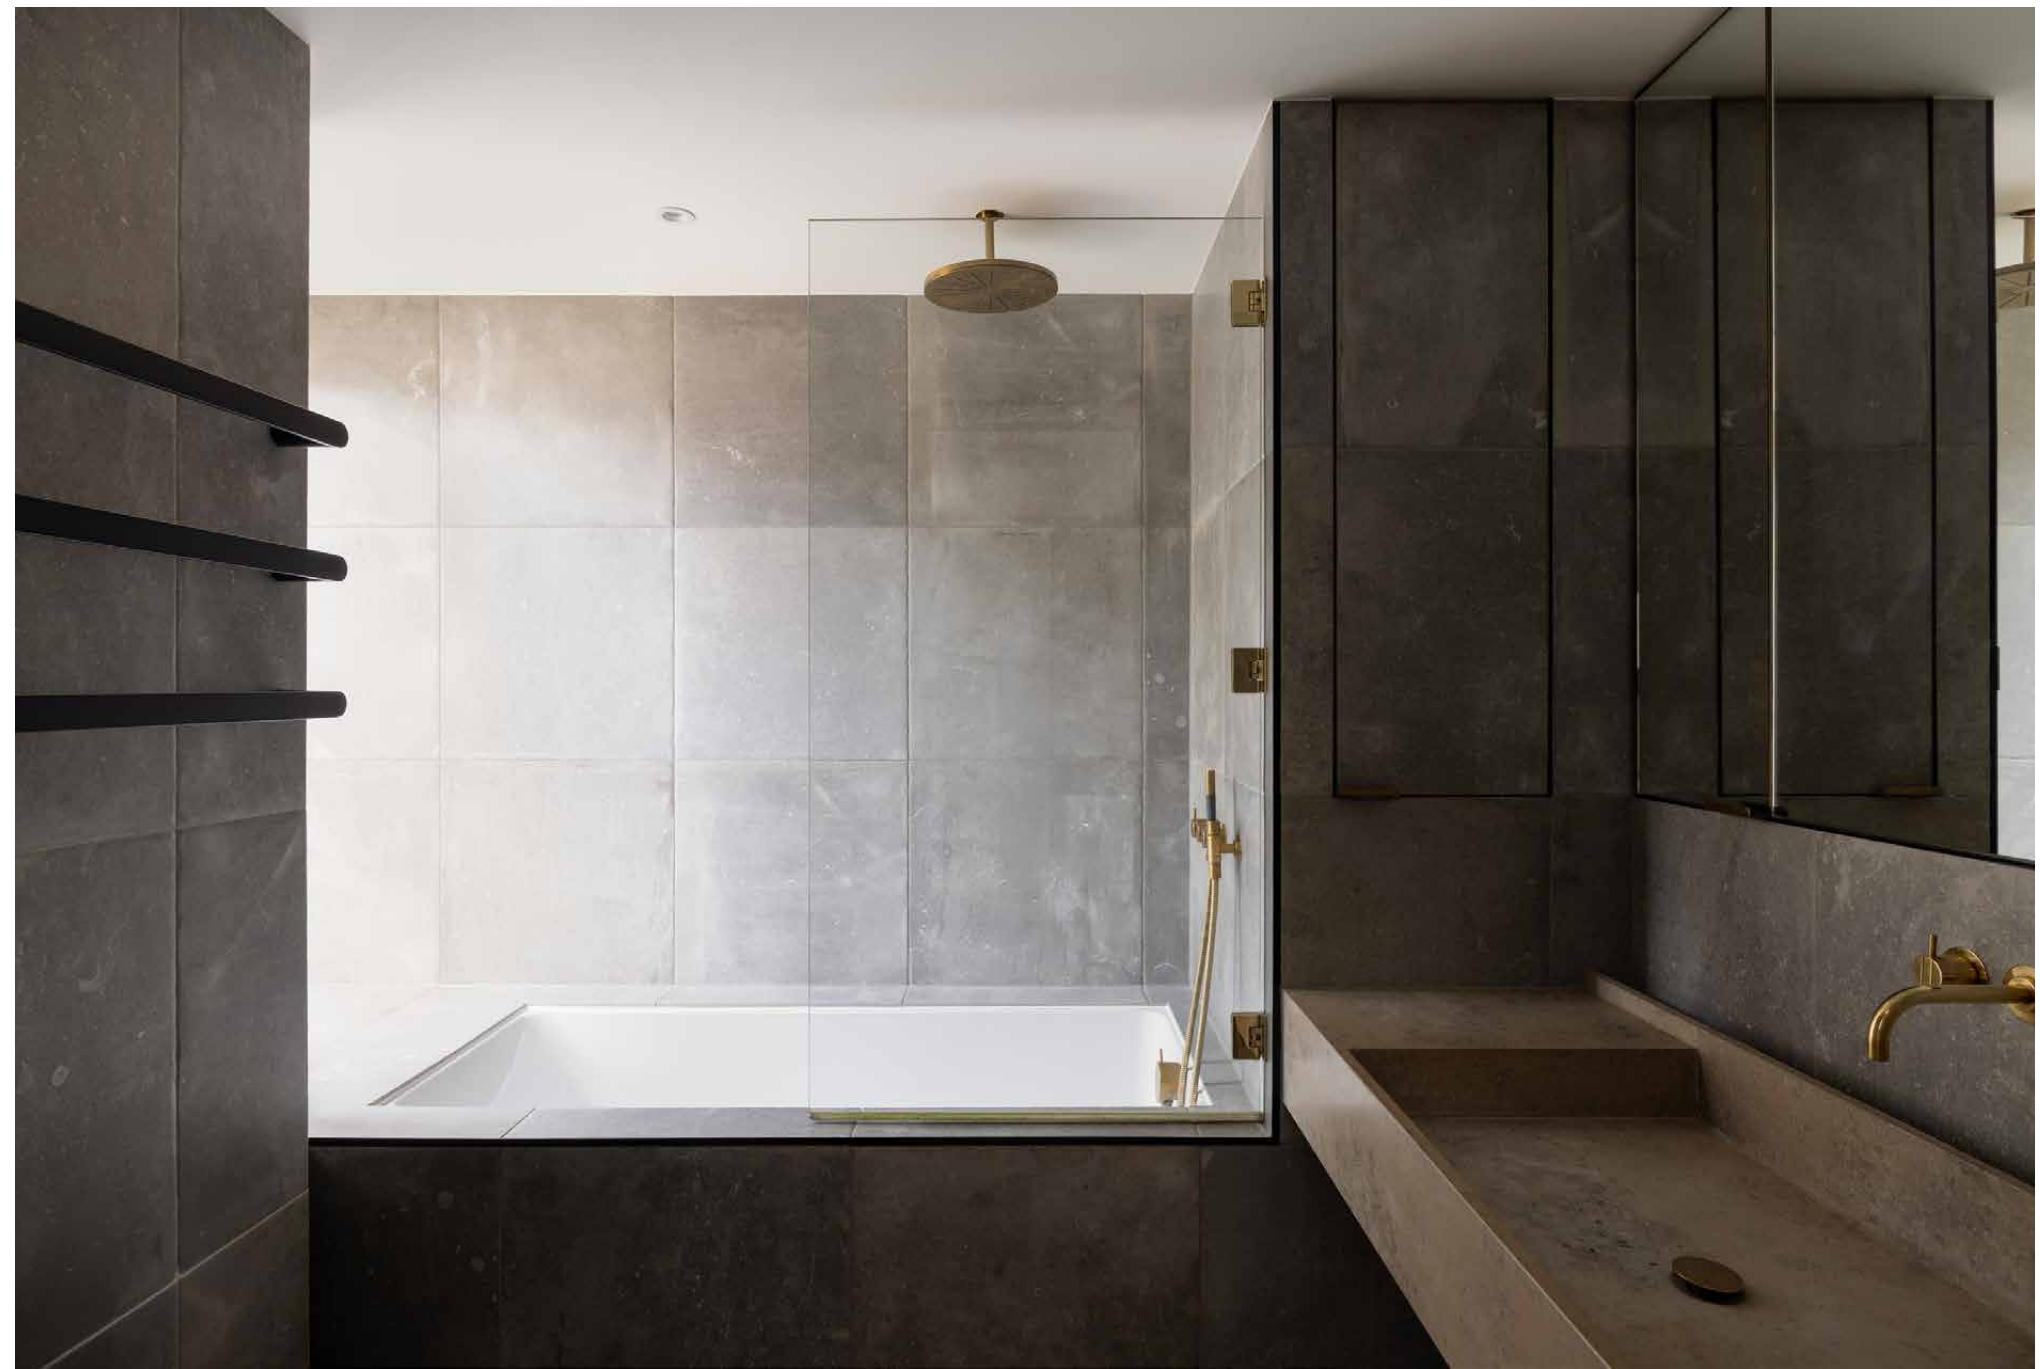

Upstairs, the principal bedroom suite is a picture of minimalism. The eye is drawn to the dark wood panelling that stretches up to the ceiling behind the bed, bringing a natural materiality to the serene setting. Things are kept tidy with a series of slim, integrated wardrobes, while additional display shelving is neatly carved into one of the walls. The en suite bathroom takes a moodier turn, wrapped in oversized granite-toned tiling. A deep bathtub, rainfall shower and modern sink are accentuated with bright gold hardware.

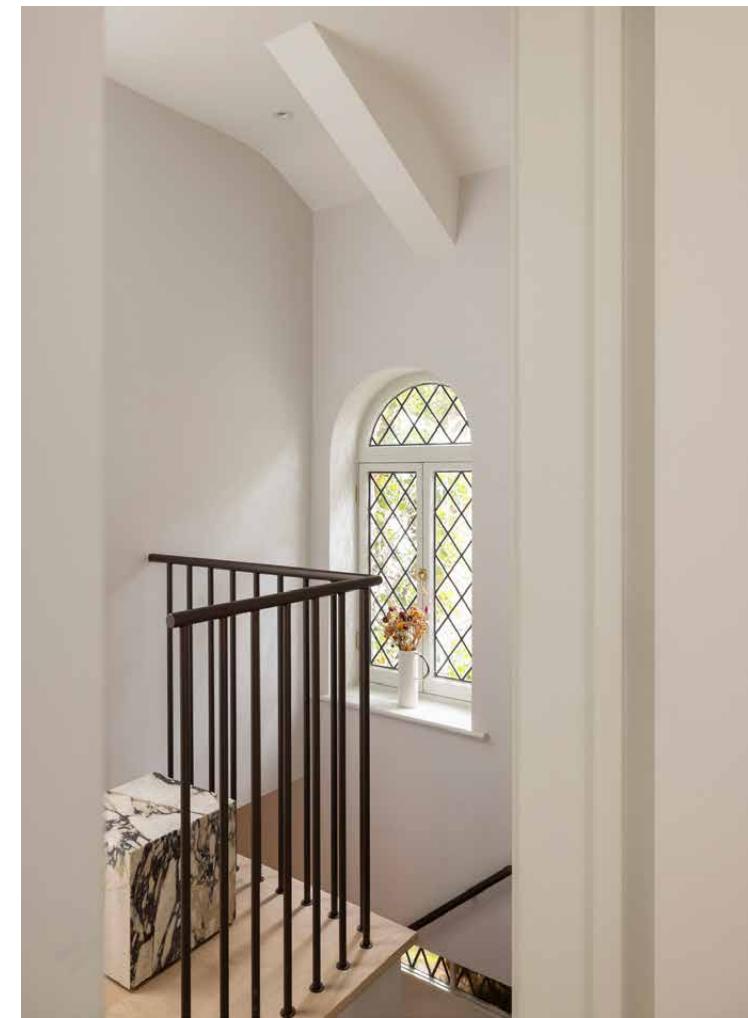

Past the landing, which is bright and voluminous courtesy of a skylight, enter the guest bedroom. Matching the home's overall interior scheme, the palette is restrained and soothing. A row of full-height wardrobes provides ample storage for the space – which has versatility to be used for work or dressing. It's served by a guest bathroom, featuring a walk-in shower.

# Who \_\_\_\_\_ we are

Forward-thinkers in property, design and culture, we're an estate agency that hits refresh.

Domus Nova was born out of a desire to do things differently; to break the traditional agency model and focus on design-led homes in London and Ibiza, all while delivering the highest levels of personal service.

Our story starts in the nineties when we founded Notting Hill's first boutique agency – and we continue to open the doors to the most remarkable spaces, revealing them to our like-minded community.

We want to help you live better – and believe considered design can do that. That's why we remain committed to building on our legacy, in collaboration with BARNES International, an established agency with a market-leading presence in 22 countries.

Uniting our local insight and curated portfolio with BARNES International's expansive reach, we can facilitate the best opportunities in not only London and Ibiza, but also across Europe, the US and further afield – whether that's a château in the South of France, a penthouse in New York, or a chalet in the Swiss Alps.
