

DOMUS NOVA

Finca Encanto, San Miguel

For 12 guests

Barefoot luxury. A restored, 17th-century finca in Ibiza's unspoiled northern hillside. Privacy comes naturally.

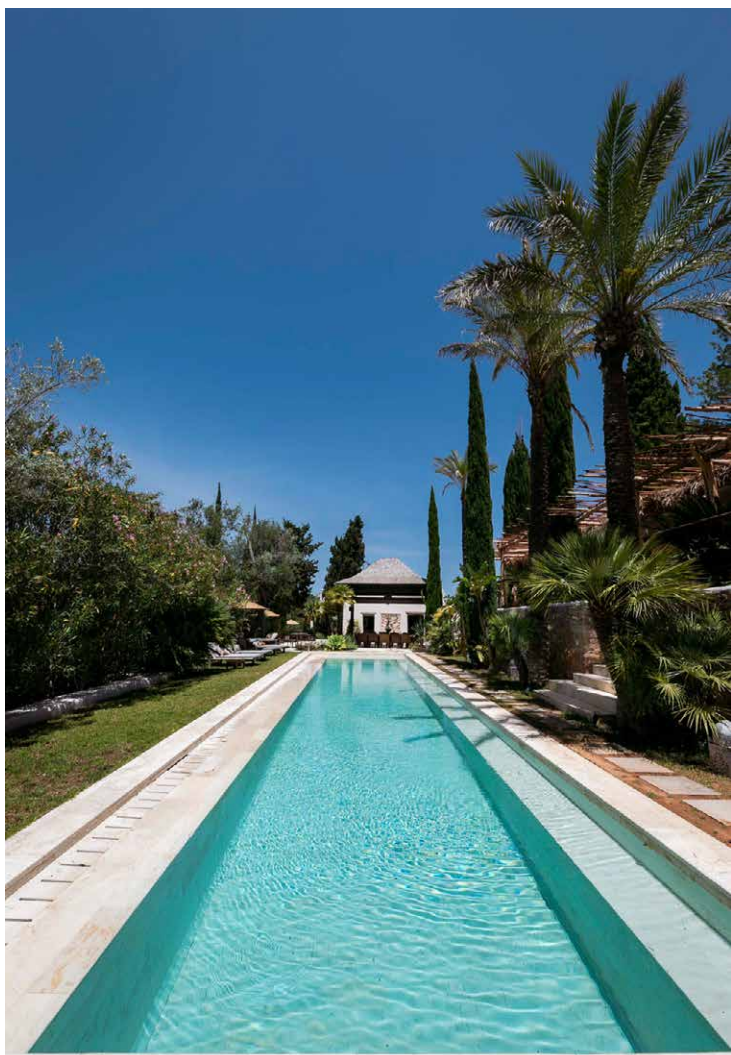

Laid-back, authentic luxury set against the secluded hills of Ibiza's north. Hugged by the mountains, this rescued 400-year-old monastery captures the essence of the Balearics. An exclusive estate where you can disconnect and unwind with friends and family. Come to enjoy the modern perks: gym, sauna, massage room, yoga studio. Stay for the peace and the views over pine-clad valleys.

Privacy comes naturally on this six-bedroom estate, reached by a long, winding driveway. Gather in the open-plan living area of the main house where local Sabina beams and a rustic fireplace create a warm welcome. Several terraces make this a great place for entertaining.

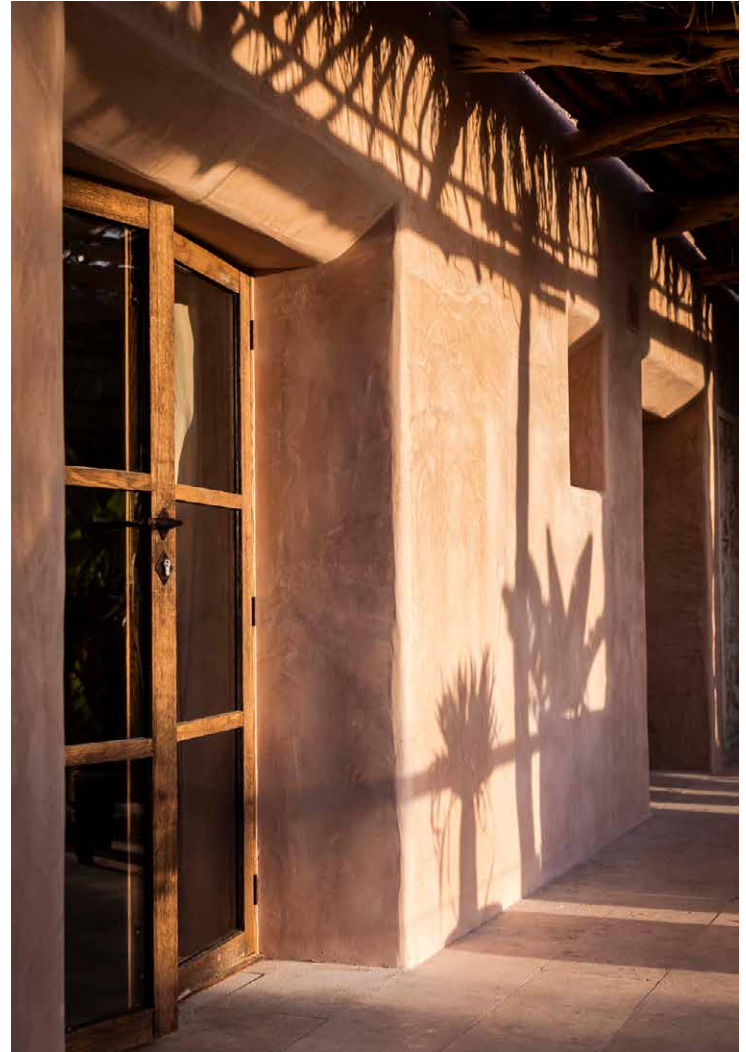

Interiors were co-created with interior designers Diego Alonso and Alexeja Pozzoni, and decor takes its cue from San Miguel's undulating countryside. Think original features, knotted juniper beams and muted, earthy palettes. Outside: manicured, Balinese-style gardens.

Come to enjoy the modern perks: gym, sauna, massage room, yoga studio. Stay for the views over pine-clad valleys.

Days here are spent dipping between the two swimming pools – one salt water, one natural eco-pool – day beds and a shaded pergola. The al fresco dining area comfortably seats over 20 guests. Invite friends for lunches and evenings under the stars. Stretch out in the glass-clad yoga studio or let stresses melt away in the sauna and massage room. An experienced housekeeper can handle the rest: food shopping, meals and daily cleaning. Just let our concierge know if you need anything else.

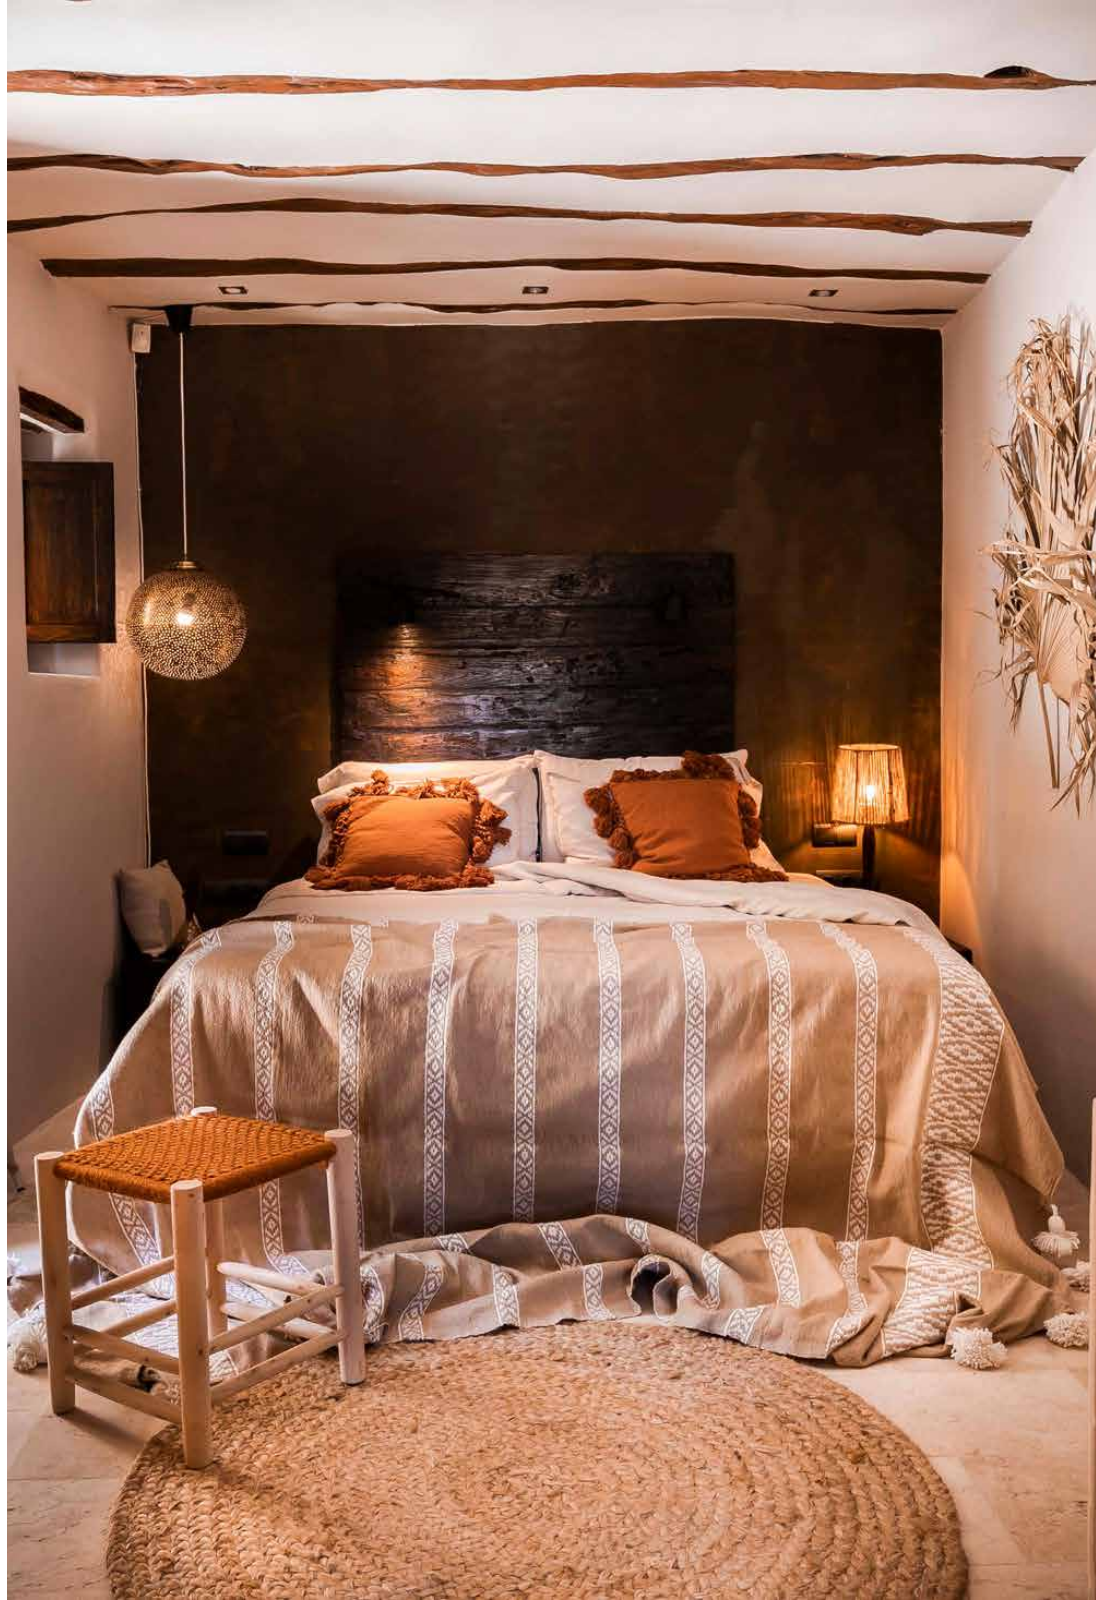

The five bedroom-suites are all soft tones and luxurious cottons on solid-teak beds. Plus, each has scenic private terraces. Two rooms enjoy outdoor bathtubs, and all benefit from marble-clad en-suite bathrooms with deep, freestanding baths. Set in an independent casita, the Lavanda master suite is the real standout, with a private living room, luxurious bathroom and two balconies that gaze across lily ponds to the mountains. Step out with your morning coffee. Private staff accommodation is available.
