

DOMUS NOVA

Hacienda Nomad

For 10 guests

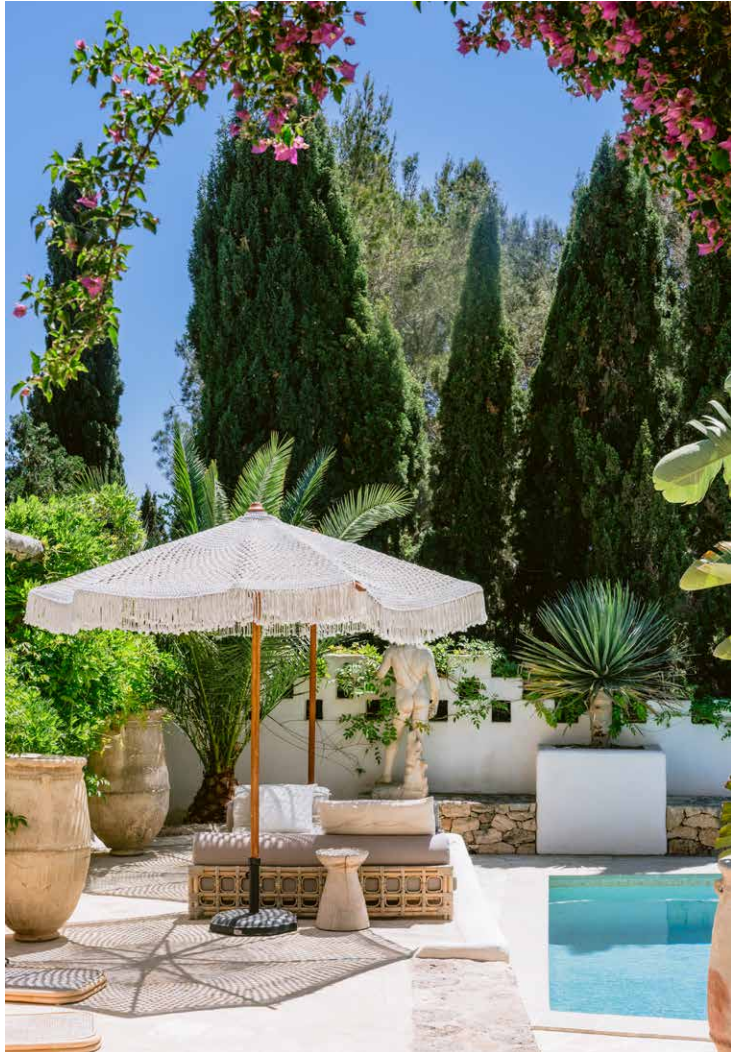

Andalusian architecture meets traditional Ibicencan touches at this five-bedroom villa for rent, elevated with eclectic art and design.

Nomadic in name and nature, Hacienda Nomad takes design inspiration from the island and beyond. Moorish accents, from an enclosed private courtyard to geometric tiles and ornate arches, enliven the quintessential farmhouse aesthetic, making this 300-year-old finca something of a rarity.

Living accommodation is arranged between a main house and separate casita, connected via lush, landscaped gardens. Interiors are given as much attention as exteriors, making this a retreat for all seasons.

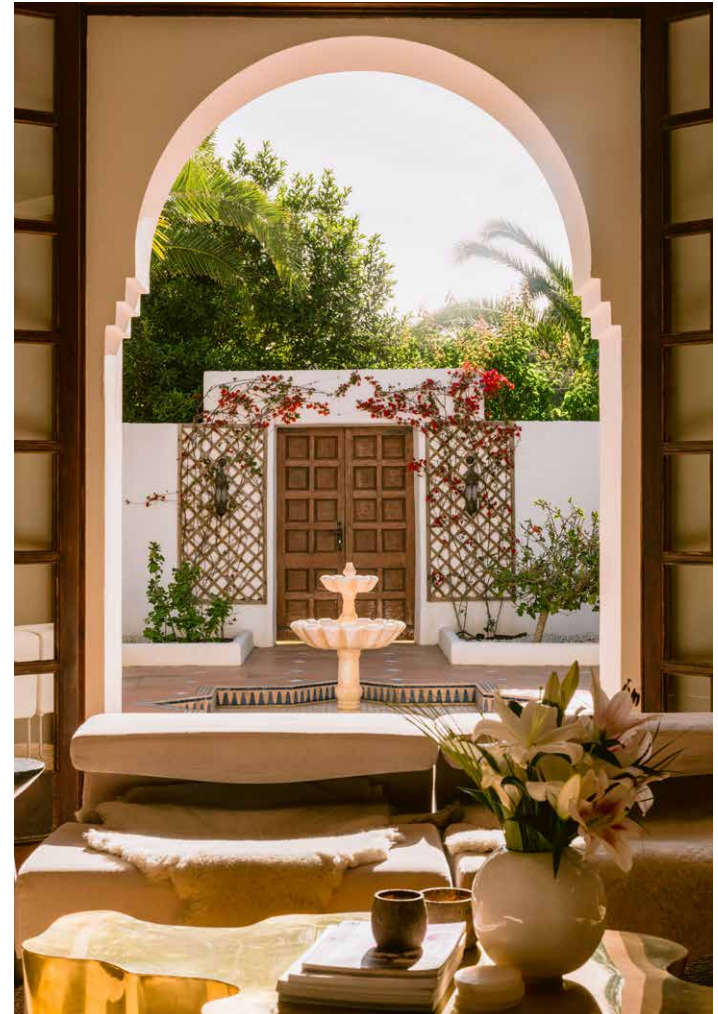

With its soaring ceiling and intricate tiling, the circular entrance hall creates a grand first impression. It flows into a palatial living room, dotted with sculptural seating, statement artwork and a fireplace focal point. From here, double-height wooden doors lead out through an archway to a serene courtyard with a fountain.

Bohemian styling gives way to a rustic aesthetic in the kitchen. Sabina beams stretch across whitewashed ceilings, while integrated appliances and a breakfast bar add contemporary functionality. An expansive outside terrace enhances the entertaining space available.

Overlooking the inviting pool, swaying palms bring a sense of privacy. Take your pick from multiple chill out zones and loungers. Note the generous outdoor shower and changing room, complete with an oversized disco ball that catches the light.

Natural materials seep into the bedroom suites. In the principal, a stone wall provides an impressive backdrop for both a king-sized bed and sunken bathtub. Accessed via an external staircase, another bedroom offers absolute privacy and comes with a terrace that looks out towards the ocean. Traditional wooden ceilings are juxtaposed with polished concrete floors while an in-room shower lends an indulgent, boutique hotel feel.

Neutral tones and tactile textures are also prioritised in the two-bedroom casita. Expect more stone feature walls, a well-appointed kitchenette and blank canvas backdrops for striking artwork.
