

DOMUS NOVA

Number 7 Project, Can Furnet
€4.500.000

An exclusive villa that puts comfort and ease of living first, so guests can relax and enjoy 360-degree views of the mountains.

Modern geometry and glazed facades meet traditional Ibiza stone walls and cool concrete to create a laid-back chic villa that puts comfort at front of mind. The villa at Number 7 Project enjoys panoramic views of the Ibiza countryside and will be ready for occupancy in 2023. Buyers still have the opportunity to personalise the finishes so that the home reflects their taste.

The ground floor comprises the open-plan living room and kitchen, which opens out through full width glass doors to the terrace and pool. The kitchen is arranged to ensure hosting is sociable and easy, with the oven situated in the kitchen island. A ground-floor guest room, with an en suite that includes a walk-in shower and luxurious bathtub, has direct access to an additional terrace at the side of the house.

The remainder of the first floor is dedicated to outdoor living space, with a generous poolside pergola that provides shade and an additional timber terrace in the garden. An al fresco dining area extends out in front of the kitchen.

Upstairs, the master bedroom suite has full glazed sliding-doors to maximise the natural light. Glass balustrades wrap the outdoor spaces, ensuring unbroken views of the Ibiza countryside. Two additional en-suite bedrooms are also found on the first floor.

In basement of the house a home cinema is the perfect space to enjoy a movie-night at home. This floor also serves as covered parking and storage.
