Secret Mirage, Can Rimbau

€5,800,000

A six-bedroom villa for sale with an exclusive address. This island home features coastal views and a wraparound terrace that connects multiple living spaces.

A six-bedroom villa near the southern coast of Ibiza, Secret Mirage sits within one of the island's most exclusive urbanisations, Can Rimbau. Nestled among Ibiza's heady pine-tufted hillside, it's a secure modernist home with a tiered garden that stretches towards the village of Jesús. Architecture is thoroughly contemporary – clean lines, alabaster walls and vast glazing that make al-fresco living seamless. Inside, a whitewashed, minimalist aesthetic designed for the practicalities of modern living.

Unfurling across three floors, Secret Mirage's spacious blueprint is thoughtfully carved into social spaces and areas of privacy. The open-plan kitchen and reception are considerably zoned by the clever use of textures. A smooth wood-clad kitchen, with an informal dining space to one side, is fitted with integrated Bosch appliances, a built-in island cooker and a cylindrical extractor hood. Just opposite, an inviting seating area is arranged over a wool rug. It's framed on one side by sliding doors that open onto a wraparound terrace and a pool, also accessible from the ground floor bedroom suite. Thanks to its west-facing position, it offers picturesque vistas of Formentera and Dalt Vila.

An inviting seating area is framed on one side by sliding doors that open onto a wraparound terrace and pool, also accessible from the ground floor bedroom suite.

Downstairs, bohemian style meets sleek design in the three bedroom suites and generous living room – note the curved minibar. The lounge is all low-slung chandeliers, eye-catching artwork and contemporary décor. Turn on the projector to transform the space into a home cinema. The master bedroom is a serene affair – soft tones, organic materials and doors that slide open to reveal an internal courtyard. The en suite is refined and meticulously finished. Two further bedrooms – one with access to another outdoor terrace – echo the free-spiritedness of the island with furnishings and textures that celebrate the surrounding landscape.

The remaining bedrooms are spread across the upper storey. A second master suite is surrounded by a nearly wall-to-wall picture window and sliding glass doors that lead onto a private terrace. Two further en-suite bedrooms take over the rest of the floor with one served by a balcony.

Beyond the pool deck, the levelled garden is divided into tiers with spaces for relaxing and gathering. Closer to the villa, a row of luxurious day beds. Follow the charming wood-step path to the decked seating area and the outdoor barbecue.
