

DOMUS NOVA

St Lukes Mews W11
£2,700,000

A space to be inspired. Room to run with your creativity. Set across the upper floors of two freehold buildings, this three-bedroom duplex plays with concepts of light and proportion. The sugar-white living space lets statement furniture and vibrant art pieces take centre stage. Together, original windows and frosted skylights create a brilliant luminosity. Contrasting black accents – the streamlined kitchen and island, a functional fireplace and steel-frame doors – look crisp and confident in their placement.

The same attention to detail has gone into the layout of the three bedrooms, each taking ownership of different parts of the home. Access to their own bathrooms. Areas of privacy arranged around the social heart. The third-floor master bedroom is the stand-out, with its minimalist appearance maintained by the spacious walk-in dressing room. Waking up is particularly easy in the rainfall shower, with a full-size window to the spacious roof garden. Or wind down beneath the stars – a Velux is positioned directly above the freestanding tub.
