Villa Giselle, Porroig
For 12 guests

Luxuriously refurbished finca with traditional charm and modern finishes. Villa Giselle is located in Porroig, one of the island's most exclusive bays. Featuring a generous pool, football field and al fresco dining, this is the perfect villa for a family escape.

Natural dry-stone walls and traditional Sabina beams have been preserved in this luxury family-friendly villa to keep a sense of the typical Ibizan architecture, while modern updates and contemporary finishes ensure comfort and a sense of ease throughout. Casa Giselle's location in the exclusive bay of Porroig allows guests access to one of the island's south-eastern beaches and crystal clears, should you be tempted to venture from the villa's refreshing pool.

Loungers around the swimming pool catch the sun, or find a spot to read in the shade of the pool-side pergola. For the restless traveller, start your day in the fully equipped indoor gym or challenge other guests to a game of five-a-side on the villa's grassy football field.

The open-plan kitchen and reception room is masterfully zoned with a breakfast island. Appliances here are high-spec and integrated, with a more formal dining area that is set against sliding doors leading to the terrace. Plush oversized furniture makes for a laid-back lounge and a further set of sliding doors draws the outside in. Outside, the pool and sunbeds are surrounded by a curtain of greenery for privacy, while al-fresco social spaces are dotted across the grounds; areas dedicated to dining, lounging, entertaining and relaxing.

Bedrooms are serene as they are stylish with oversized headboards and four with sleek en-suite bathrooms. The master on the first floor includes a super king-sized bed, walk-in wardrobe, freestanding stone bath that lets you soak in the view through the private balcony. Three further bedrooms sit on the ground floor and another two in the guest house.
